* YSSC's Suit policy is designed to provide a progression of suits as the swimmer moves up the competitive levels allowing them to focus on technique and proper training. Please adhere to this policy that YSSC has posted.

* Cost of Tech Suit Note: The high cost of tech swim suits has become a part of swimming since 2008 for Elite 13 - Over swimmers. Buying 2 or more LZR Tech Suits per year is typical for swimmers competing at a high level. If you have any questions, please contact Coach Dan
