Volunteer:

If this is your first swim meet as part of the YSSC family, it is a great way to build experience and learn the ins and outs of volunteering at our home meets. The expectation for our MTY meets is that all families **MUST** provide at least one volunteer for each session of the meet they are attending! The Job Sign-Up located on the meet event page is now closed, and the draft of volunteer signups has been emailed out to each family.

For any volunteer questions, contact Coach Heather at hmartin@spartanburgymca.org

Concessions:

Concessions will be sold through every session of the meet. While the running of concessions is listed as a volunteer position as listed in the job signup link on the meet event page, we encourage families to help donate food and goods for all of our home meets. The sign-up genius with lists of food needed can be [FOUND HERE!](#)

In keeping with our COVID-19 guidelines, we will be offering a limited concessions stand as compared to previous years. All items at the concessions stand will be individually packaged. Please be respectful of social distancing while waiting in line for concessions.

Augusta Swim Supply:

Our official swim supply partner will be at the YMCA on Saturday with suits, goggles, practice equipment and more. Make sure to stop by and visit their stand for any needs you may have!

COVID-19 Accommodations:

Please note that these accommodations are a condition of our Meet Sanction and violations of these accommodations could result in YSSC not being able to host meets in the future.

- No spectators will be allowed on the pool deck
 - o The patio will be open, but families must do their best to social distance. If the meet management team feels that the spacing on the patio is unsafe, we will close the patio
 - o Please keep in mind that the doors and windows will be open to provide as much fresh air as possible on the pool deck. This means that anyone on the patio must remain at least 6' away from the windows at all times.
- All meet volunteers, coaches and swimmers will wear masks while on deck
 - o Swimmers should bring a ziplock bag to help keep their mask dry behind the blocks while they are in the water.
 - Swimmers will wear their mask up to the blocks and put the mask in the bag, place it behind the blocks and then put the mask back on following their swim.
 - Please put your child's name on the bag with a sharpie marker to avoid confusion.
- Everyone on deck will follow the posted flow of traffic.
 - o Please see Pool Map on the event page [HERE](#)
- Swimmers should arrive already in their swimsuits. Swimmers should not be using the locker rooms.
- Heat Sheets are available online and on the Meet Mobile app.
- Enter and exit through the front doors of the facility
 - o Everyone entering the facility must stop at the temperature check station
- Please be respectful of our meet volunteers that are monitoring our adherence to the COVID-19 accommodations. If they speak with you, please do your best to comply quickly and nicely. If you do not observe the regulations, you will jeopardize our ability to host meets in the future.
- Concessions will be available on the pool deck. All food will be prepackaged.
- Meet sessions will be livestreamed on the YSSC Facebook page.
- Heat sheets will be published ahead of time, so families with young swimmers can write down their heats and lanes before they get to the pool.
- Results will be pushed to meet mobile as quickly as possible.
- Please be patient and remember that everyone is trying to make this event a great experience for the kids!
- You may also refer to the Coaches Meeting [Zoom Call](#) that we held earlier in the week for more clarity on any of these issues.
