

# TEAM GREENVILLE

Team Greenville is a pre-eminent year-round, USA Swimming swim team, training over 300 swimmers ages 5-18. Recognized as one of the top teams in the state, TG has won numerous South Carolina Age Group and Senior Championships and was represented in the 2021 Paralympics in Tokyo, Olympic Trials, US Nationals, Junior Nationals, and Futures.

TG is a 501(c)(3) non-profit organization, and we rely on corporate sponsorship to keep our annual dues affordable to the swimming community. Annually, we host about 9 swim meets at our home pool, Greenville County Aquatic Center. This facility is one of the best competitive pools in the state and our meets typically have 450-800 swimmers, many of whom travel from other parts of the southeast to spend a weekend in Greenville. Additionally, TG meets are live streamed on our Facebook page.

Sponsorship can be in the form of cash donations, approved products/services, or a combination of both.
