

GREAT Fundraising Opportunities

What is fundraising and why does the GREAT Swim Team have this?

Every organization has costs associated with the successful operation. The GREAT Swim Team is no different. Some of the costs the GREAT Swim Team faces on a monthly basis are; pool rental and employee payment (i.e. Coaches). The current fee structure is based on monthly dues (determined on your swimmer(s) group) and Fundraising. In order for the monthly swimmer dues to remain at a reasonable rate, the GREAT Swim Team Board has a number of opportunities for families to help defray the monthly dues....this is where fundraising comes into play.
