Proposed bylaw or policy section and language:

Rule 9 Championship Meets (*Rule 11 in the Revised Policies & Procedures*)

Part 9.2 (6) Jobs shared by all LSC Teams participating include: Timing, Meet Marshall, Announcer, running the timing and computer system.

a. Timing positions shall be assigned to participating teams in direct proportion to the number of swimmers from each team entered per session. Further, timing assignments for participating teams shall be reduced for those teams who have officials who have signed up to help officiate. Credit shall only be given to those officials who have signed up prior to the listed registration deadline for the meet.

Rationale:

The intent of this proposal is to give credit to teams for providing officials at state meets and thus lesson their requirement for timing positions. This will help to balance the total volunteer help from all teams based on number of entries.
