

College Swimming 101

Most important website:

www.ncaa.org

From the NCAA website, you can get information on:

- Initial Eligibility/Clearinghouse (see your High School guidance counselor----take care of this paperwork before your senior year)
- Guide for the College-Bound Student-Athlete (print this booklet out and read it carefully with your parents and club coach!)
- Recruiting rules
- Agents and Amateurism
- Drug Testing
- From the following link, you can look up all NCAA Member Institutions (Schools): <http://web1.ncaa.org/memberLinks/links.jsp>

From each university website, you can find:

- Coach contact info
- School records and season top times lists
- Team rosters
- Team history
- Meet schedule

Other helpful websites:

www.ncaasports.com ----research college sport info, results, news

www.collegeswimming.com ---research meet results, announcements, more

www.fastweb.com --helps you look up scholarships, internships, and jobs

www.collegeboard.com ---all the steps in searching for a college
