

GERMANTOWN GATORS SWIM TEAM FINANCIAL AGREEMENT

Please initial where indicated, electronically sign at the end, and return via email.

A. Dues Cycle

Dues will be invoiced and paid on a monthly cycle. Invoices will be emailed on the 1st of each month, and must be paid no later than the 10th of each month. The invoice will be emailed to the email address(es) on file under each account.

Two months' worth of dues will be collected for the first dues payment. This will be considered your first and last months' dues. If your account is not paid and current by the 10th of the month, that current month is considered your last month, and your child may not swim at the beginning of the following month unless another two months' worth of dues is paid by the beginning of the next month. For example, if you do not pay October dues in full by October 10th, without discussing your dues with the registrar, October would be considered paid for from the double payment made in September. If your child will continue to swim, you would have to pay two months' worth of dues again, to cover November and then a new "last" month payment.

B. Payment Options

The team does not accept personal checks. Dues must be paid by credit card or debit card. You must add a credit card or debit card to your account in Team Unify by logging in and adding the card under the Payment Setup tab. You can choose to set it up for autopayments, so that your dues and any other fees (e.g. meet fees) are automatically deducted at the beginning of each month, or you can add the card to your account and manually make a payment through the website each month.

Initial Here _____

C. Dues Structure

The monthly dues for each swim group are as follows:

Group	Monthly Cost
-------	--------------

Yellow/Green	<i>\$90.00</i>
Bronze	<i>\$70.00</i>
Silver 1	<i>\$75.00</i>
Silver 2	<i>\$80.00</i>
Gold	<i>\$85.00</i>
Senior	<i>\$90.00</i>
High School/Middle School	<i>\$150 total (Summer) \$250 total (School Season)</i>

Bronze through Senior groups must also pay a registration fee of \$225 once per year. This registration fee must be paid no later than December 1st; reminder emails will be sent out in the late fall along with instructions on how to register your swimmer for the new year. Swimmers that join the team after May 1st in a calendar year may pay a prorated registration fee of \$115.

The Yellow, Green, and High School/Middle School groups pay a registration fee of \$50 and do not participate in USA Swimming-sanctioned swim meets (HS/MS swim in their school league-organized meets).

Initial Here _____

D. Meet Fees

If your swimmer will compete in swim meets, each individual event they swim at a meet has an associated cost, usually \$10 per event (for example, if your child swims four events at a meet, the cost would be \$40). Meet fees are added to invoices after the meet concludes, and will then be payable along with monthly dues at the beginning of every month.

If you register your swimmer for a meet but then do not attend the meet, you will still be charged for the meet fees because the team has already been charged for your swimmer's entries. If the coaches are given enough advance notice of your change of plans, they will try their best to get your child out of the meet. If they cannot get your child out of the meet, your account will be charged.

Initial Here _____

E. Vacations and Time Off

If you will be taking a vacation, or your swimmer wants to take a break from the team, you must notify the coaches AND the registrar at least 14 days in advance. We will not prorate dues

during vacations of less than one month. If the vacation or swim break will last one month or longer, please get in touch with the coaches and the registrar to discuss putting your account on hold during the vacation or break.

The team takes an annual practice break for two weeks each August. August dues will be prorated.

Initial Here _____

F. Leaving the Team

If your child will leave the team, you must notify the coaches AND the registrar at least 14 days in advance. If your dues are current as outlined above in Section A, you will already have paid for the final month your child is on the team.

If you do not notify anyone that your child has left the team, your account will continue to be charged, and no refunds will be authorized.
