

SwimAmerica™

SwimAmerica is coming to Bristol TN at the Bristol TN High School Viking Hall Pool!

SwimAmerica is the premier learn-to-swim program in the U.S.A. developed by the American Swimming Coaches Association.

The program is licensed to & directed by the Kingsport Piranhas' Head Swim Coach, Jorge Blasini, who has been in the Tri-Cities since 2006.

The Developmental Swim School offers two tracks:

1. **Learn-to-Swim** for beginners 4 years and up.
2. **Piranhas Mini** for any swimmer capable of swimming one length of the pool freestyle.

The school follows the **SwimAmerica** program guidelines and employs the station method of teaching with the instructors. At each station the fundamental elements of swimming are organized into teaching units with advancement criteria which provide the student with clear tests of his/her abilities.

In the **Learn-to-Swim** track, swimmers start with basic water adaptation skills, safety skills, body alignment, and freestyle skills.

Piranhas Mini is for swimmers wanting to learn more advanced competitive skills in preparation to join the ***Kingsport Piranha Swim Team***. It is also designed as an excellent supplement to summer league swimming programs. Each session is devoted to stroke instruction, sprint training, and swimming enjoyment. Under the guidance of a professional coach, students learn and develop the four competitive strokes, racing starts, and turns. All the important key skills necessary to SWIM FAST at the club, high school, and summer league levels will be emphasized.
