

Red Piranha Swimming Sponsorship Application

Red Piranha Swimming

Red Piranha Swimming is now offering an excellent sponsorship opportunity for local businesses in the Tri-Cities Appalachian Highland Area. Advertising with our Swim Club is a great way to raise brand awareness showing a sense of pride in support of a non-profit organization who provides necessary athletic services for many kids in our local community. Our Swim Club practices in pools at Dobyns-Bennett High School, Bristol Tennessee High School, and at the Kingsport Aquatic Center. We teach and coach swimming to kids ages four and up who want to learn how to swim and potentially compete. We were formerly known as the Kingsport Piranhas but are currently rebranding and expanding throughout the Tri-Cities Area. Your sponsorship contributions will help our non-profit purchase team shirts and pool equipment for cleaning and maintaining our practice pools. Our swimmers will proudly wear our new team shirts with your brand logos all around town!
