2013 LC SE CHAMPIONSHIPS

July 18-21
Nashville, TN

We had a very impressive Southeastern Championship meet. Although as a team standing it wasn't our best meet (finished 10th overall). However from a best times standpoint it was. In our Senior Group we had 98 individual swims and 101 best times. That's a first for me as a coach to have more total best times than individual swims. The younger age groups also swam outstanding and in some cases we were just on the wrong side of an age group (i.e. 11yr old swimming very fast but not as fast as 12yr olds). All in all it was a very positive meet and some huge things are in-store for our team in the very near future. It is a very exciting time for MTAC.
