

# WELCOME TO GREATER PENSACOLA AQUATIC CLUB

The Greater Pensacola Aquatic Club Board of Directors and Coaches warmly welcome you and your swimmer(s) to the GPAC family. We are excited to be able to provide our experienced Coaching staff, superb training facilities and an overall-enriching environment that will contribute to each swimmer's personal goals. We look forward to meeting you and working with your swimmer. Our swimming program has been developed to provide the conditions that will appeal to swimmers of all age groups and competitive levels. We are a year-round club offering the highest quality instruction, training and competition to people of all ages and abilities. GPAC firmly believes that the dedication, determination and discipline required in swimming contribute in a very positive way to the personal development of each swimmer.

You will discover in this welcome packet and by reading our website, that GPAC is the premier competitive swim team in the Pensacola area as well as the top choice of parents desiring basic swim instruction for their young children. We provide the GPAC Swim School program for the beginning swimmer and we are a recognized USA Swim organization that competes in local, regional and national competition sanctioned by United States Swimming. GPAC has an admirable and long history of swimming successes including numerous college athletes, Olympic Trial qualifiers and 3 Olympians.

We hope this packet will help familiarize you with all aspects of Greater Pensacola Aquatic Club. Please understand that this packet is not the end product; it is a living document to be changed and improved along with the everyday operations of GPAC. Each family is encouraged to contribute their energies and talents to the enhancement of this packet as well as running swim meets and serving in an appointed or elective office to help manage GPAC.

We are glad to have you as part of our GPAC family! See you on the pool deck.

GPAC Board of Directors
