

June 25, 2020

Hello FAST families,

I am still waiting to hear from the school district about when we might be able to get back into the pool for swimming and water polo. I am also waiting to hear about swim and dive lessons. In May I sent the school a detailed plan for getting back in the water along with all of our insurance information. I am still waiting to hear from the school and I am hoping to hear something by end of the 2nd week of July.

Below is a survey that I have put together for all our families to take. It will allow me to see who and how many of our swimmers and players are ready to get back into the pool. I am looking at the possibility of some pool time at the Boys and Girls Club in Escondido with Renegade Aquatics. This will be a limited number of swimmers and in the late morning/early afternoons. This will be for swimming only.

When we are able to get in there will be a limited number of athletes in the pool at one time. We will work to maintain social distancing as per the San Diego County Health Department. Under the guidelines for Day Camps, we can have up to 12 athletes in a group (pod) that will be maintained until a new phase begins. This would mean 2-4 swimmers per lane starting at different points in the pool. Everyone would be required to wear a face mask unless they are in the water. There will be limited access to the locker room and there will be assigned areas on the deck.

INFORMATION NEEDED:

Swimmers first and last name: _____
(list all swimmers) _____

Please select all that apply: Swimming Water Polo Swim and Water Polo

Are you comfortable with being at the pool and swimming with others? Yes No

Are you comfortable in practicing at any of the following facilities:

Fallbrook: Yes No Escondido: Yes No Other location: Yes No

Are you available to practice during any of the following time-frames :

Morning : Yes No
Mid-day: Yes No
Afternoon: Yes No
Evening: Yes No

Please return survey to seanmary@aol.com as soon by Sunday June 28.

Thank you
