

## Oceanside Swim Club Behavior Agreement

Oceanside Swim Club Parents and Athletes must treat membership with the club as a privilege and acknowledge the rules and responsibilities that come with membership.

Athletes must behave in a manner that reflects positively on the team at all functions, including practice, meets and team social gatherings. By doing this you help protect and improve OSC's reputation within the swimming and local communities.

While at practice or a swim meet, athletes are required to follow these specific rules:

### *Practice Behavior*

1. Follow all coach's instructions
2. Respect your teammates
3. Do not interfere with the progress of another swimmer during practice...no "horse play" in the pool
4. Do not leave practice without notifying your coach
5. Follow the facility/pool rules of any pool where OSC practices are held
6. Follow the instructions from pool staff/lifeguards
7. Do not use the starting block unless you've been asked and are supervised by your coach
8. Refrain from running, pushing, or other "horse play" on the pool deck

### *Swim Meet Behavior*

1. Swimmers will accept the responsibility associated with attending meets in association with Oceanside Swim Club and they will display proper respect and sportsmanship toward coaches, officials, meet administrators, parents and fellow competitors
2. Recognize that team meets are a privilege and not a right
3. Meet with their coach before and after each event
4. Notify their coach prior to leaving the meet

To Support these behaviors the Oceanside Swim Club has adopted a disciplinary referral program to document inappropriate behaviors/situations. As both parent and swimmer(s) your signatures below acknowledge that you have received both a copy of this behavior agreement and the corresponding disciplinary referral program. Your signatures below indicate that you and the swimmer(s) acknowledge the behavior agreement and accept the consequences that may come with behavior violations.
