

## **2021 SI FEBRUARY 14 11-12 MEET INFORMATION**

Each session should take about 1 hour with ½ hour of warm up. We will be using 8 lanes.

Each athlete must bring the 3 COVID monitoring forms and the coaches will be responsible for collecting them prior to entering the pool. Please put them in alphabetical order. Once collected, the team will be allowed to enter the pool and proceed to their assigned area.

All individuals entering the pool must wear a mask the entire time. Swimmers must bring a small plastic bag to put their mask in when they go to the blocks.

There will be no spectators and parents must remain outside unless timing or have a monitor position.

The meet will be on Meet Mobile.

Each team will provide a parent to monitor social distancing and mask enforcement for their team. Individuals may be asked to leave the venue if they are unable to follow the mask and social distancing guidelines.

Any parent working as a volunteer is expected to be doing their job while on deck and not interacting with their swimmer or using a recording device while their swimmer is racing.
