2. Swimmers must be in their suits already and will not be given an opportunity to change. **This includes Tech Suits.**

When they exit they need to put the mask on as soon as possible. Athletes are required to wear a mask to the blocks and put it on after their swim.
4. Athletes will be dropped off at the pool gate with their coach (or another coach). Parents will NOT be allowed on the pool deck at any time unless timing or filling a team position
If a parent has to be asked to put on their mask or wear it properly over their mouth AND their nose more than once they will be asked to leave.
5. Swimmers will be directed to an area of the pool designated for their team. They are not allowed to wander around. They may interact with their friends from their spot only.
6. Athletes will either be in their seating space, heading to and from the warm up/warm down areas, or heading to their event. No other wandering is permitted.
7. Bathrooms are for emergencies only. Only 4 individuals at a time. Athletes must wear a mask. No exceptions. The bathrooms are not to be used as a changing area.

Meet Protocols

- 1) All coaches will be sent the heat sheets program and will be responsible for distributing to their athletes and parents. Coaches may make as many copies as needed. We will NOT be posting them as we don't want the athletes wandering around.
- 2) When it is your time to swim you will put your mask up in your Ziploc bag, drop it on the ground and step to the blocks.
- 3) After you swim, you will stay in the water until the next heat dives in. Then you can exit the water, grab your towel and mask and exit towards the warm down area of the pool. Backstrokers will be asked to exit before the next heat steps forward. You still need to keep your distance and mask up if you are not warming down or immediately after warming down.
- 4) Head back to your deck space designation after your event and stay in your 6-8ft bubble.
- 5) You may cheer for your friends from your designated space. There will be no behind the lane cheering. You must stay in your spot.

Post Meet Exit Flow

All athletes should leave the pool quickly after their final event. You may do a quick warm down. You must put on a mask as you pack up your area and before you leave. Parents can meet their athletes at the pool gate. Maintain Space! Everyone is expected to go directly to their cars and leave. No loitering in the parking lot please.
