

## **RST Personalized Silicone Caps**

Silicone caps are advantageous in that they last longer than latex caps, do not pull your hair, and since they are embossed with a name, they are easy to return to the owner when they've been misplaced. Caps will be royal blue with a white embossed paw print and the personalized name of your choice.

We will be ordering silicone caps, which are two for **\$36**. You must order two caps and **they must both say the same thing.**

The printing on the caps must be **one word and it cannot be any longer than 13 letters. It cannot contain any numbers or symbols, only letters.** It may be a first or last name, or it may be a nickname, as long as the nickname is appropriate.

I will be placing the order soon. We will not order personalized caps without a minimum order of 13 pairs. If you would like caps, please fill out the following form with exactly what you would like printed on the caps. Your orders must be received by Rosa Arias or Chandra Morton on **Thursday, September 28, 2017.**

Please include payment with your order form, checks made to RST and attached to this sheet. If we do not receive the minimum number of orders, your check will be returned to you.
