

SBA Coaches' Daily Swimmer Monitoring Form

Swimmer Name	Date	Fever Or Temp (higher than 100.4 F)	Sore Throat	Coughing or Shortness of Breath	Close contact or exposed to someone positive for Covid 19	Loss of taste or smell
By signing this form, I release South Bay Aquatics from all liability related to COVID 19 and any other infectious disease claims.		Yes	Yes	Yes	Yes	Yes
		No	No	No	No	No
Parent Signature						

PARENTS: (1st page required daily)

- If *YES* to any question, *Swimmer will not be allowed into the pool area.*
- Due to restrictions on capacity and social distancing, **the pool deck is CLOSED.**
- The expectation is that swimmers will arrive 15 minutes early to line up socially distant as marked on the walkway for a “check in”.
- Once you drop off your swimmer you will not be able to watch your child swim.
- **DO NOT** leave until they clear “check in”. Social distancing applies to parents at all times (even in the parking lot/street).
- This decision can be made at home or at the Entry Gate. If “yes” to any health monitoring questions, please inform group coach by email immediately.
- The SBA health monitoring form must be completed prior to coming to the pool and signed by a parent **DAILY!** Due to county health requirements, swimmer health must be monitored every 24 hours. **No completed signed form upon arrival, no entry!** SBA will not be able to be responsible for a swimmer that doesn't have a completed signed health monitoring form or doesn't meet the criteria the lifeguards/coaches deem as safe for entry. The swimmer will need to be taken home until the situation is resolved.
- The bathrooms are only available for emergency due to the requirement of sanitizing after each use. **Please use the restroom prior to driving to the pool.**
- Please review the “Swimmers” responsibilities below daily with your swimmer to reinforce the “new” processes we must follow in order to be safe & responsible.
- We have agreed with the facility that if we cannot follow the new rules and processes, our agreement will be terminated and we will not be able to use the facility.

SBA Coaches' Daily Swimmer Monitoring Form

**Parents, please review daily with your swimmer.
Only the first page is required for daily monitoring and signature.**

Swimmers:

- The expectation is that swimmers will arrive 15 minutes early to line up socially distant as marked on the walkway for a “check in”.
- There are no extra personnel to deal with checking in late swimmers. If you are late, you will not be allowed in as coaches must remain with their swimmer groups at all times.
- You must wear a face covering lining up, entering the deck, and as you exit the deck.
- Swimmer are allowed to “enter” ONLY through the **designated training entry** and to submit form to coach or parent at the gate. DO NOT enter until you have had contact with team representative.
- **WAIT!** until the form is accepted.
- Once cleared to enter, the swimmer will proceed directly to pool deck and designated group area. Don't **STOP** and don't congregate with other swimmers entering or leaving the pool area.
- Swimmers will have a “individual safety cone” to be used to identify individual deck area and personal possessions. Keep your social distance from other swimmers on deck. Do not share towels or other possessions.
- Swimmer must be in suit and have team swim cap already on and in place. Swimmers must not ask for help from other swimmers for putting on swim cap.
- Swimmer must arrive with equipment wet bag and any other individual equipment needs (kickboards/pull buoys). *Swimmers are not allowed to share equipment.*
- Swimmer must have goggles in hand. It is not advisable to be wearing for safety precautions because of a possible trip hazard.
- When Coach has released swimmer from training, dress and immediately leave deck and return to pick-up area through the **designated training exit**.
- The bathrooms are only available for emergency due to the requirement of sanitizing after each use. **Please use the restroom prior to driving to the pool.**
- If reporting to a designated “Dry Land” workout, go directly to designated area while maintaining social distance.
