

2021 RSD IMR AA Meet Information

Facility Details

Parent/Spectator Areas:

- * **The pool deck is closed to spectators due to available space.** There is a viewing area along the pool for parents/spectators to watch. (See attached map). This is a standing only area; no chairs. Every effort will be made to keep Meet Mobile as up to date as possible to know when swimmers are due to swim. Do not set chairs in the viewing area.

Canopies and Team Areas:

- * Canopies/tarps **cannot** be dropped off on Friday. Use the area designated on the map to setup canopies/tarps during your session.
- * **Canopies/Tarps must be taken down after each session.** They can be left inside the facility overnight.
- * Group 2 (Session 2) teams should wait until the first group has started to clear to setup canopies. Do not set up canopies/tarps in a session you are not in.
- * Team Canopies are allowed on deck (for swimmers only): do not place or sit directly in front of the pool's entrance/exit.
- * The sides of the comp pool are reserved for Coaches.
- * **No Team/Parent Canopies may be set up in the following areas:** Do not set-up against the fence with view of the pool. Leaving that area open for standing room only spectators (noted on the map).

Other Information

- * There will be a Snack Bar for parents and swimmers. See attached map for location.

Parking and Overflow:

- * See attached map for parking areas. Note several lots are off limits.
- * Look at the parking overflow areas in advance.
