The photographer's fee for taking your swimmer's pictures during this championship meet will be \$10.00 per heat per event for prelims. (1) swimmer per event per heat will be taken (1) boy & (1) girl per event per heat. If your swimmer makes the finals and you want pictures taken during the finals you will need to fill out a finals order form and pay another \$10.00 per heat per event for finals.

Most events will include up to 5 - 10 photos each. The 50 Freestyle event will not be guaranteed to produce useable photos since this event is the hardest to photograph. If your swimmer swims an IM event you only have to pay (1) \$10.00 fee to get photos of all four strokes. These events are usually the best along with the other events to double your photos options.

Just remember if your swimmer makes the finals in any event and you would like pictures you must fill out a finals order form and pay another \$10.00.

There will be (1) Photographer covering the Boys events, & (1) Photographer will be covering the Girls events during the (3) days of swimming.

For every heat per event purchased Prelims or Finals you will receive a card for (1) free 4 x 6 individual photo. The \$10.00 is only for us to take your swimmer's photo during the meet. **The only thing included with the \$10.00 will be the (1) free 4 x 6 individual printed photo that will be mailed to you within 2 weeks after the event.**

There will be samples of the different sizes and items I offer for your purchase using your swimmer's photos taken during the meet.

By (3) weeks after the event all photos taken will have been uploaded to my website www.olierphotography.com so that the parents can purchase photos from the website of their swimmer. All orders take up to (2) weeks to be shipped once paid for and I receive your order. All orders will include taxes & shipping costs. All orders will be shipped via Fedex with a signature required when delivered. This is to protect you and me from the items being damaged from weather from being left on your doorstep if you are not at home.

Just remember prelims and finals are two different sessions and if pictures are wanted you must pay for events/heats in each session.
