

Thank you for joining SLST. In a few minutes, you will receive an email with a link to login to our slst.info parent/team website. Please login and follow the attached instructions for registration. Registration is now done online. Just be sure to choose the "2012 New Registrations" when selecting your Registration group.

At the end of the registration, there is instructions reminding you what is needed to bring to the first day of practice:

- * Emergency contact form

- * One of the following:

- ✓ Pacific Swimming 2012 Registration and Check made Payable to "Pacific Swimming" for **\$65**
- ✓ Pacific Swimming 2012 Transfer Request form (if you are transferring from another team and are a PacificSwimming/USA Swimming member)

- * Check made Payable to "SLST" the registration fee (if not paid online) and First months dues (see chart below) OR Pay registration by credit card and sign up for Auto-Pay.

When paying by credit card, the first month may still need to be made by check depending on the timing of your registration. If you are not starting until the 1st of the month and you are registering prior to the 1st, if you have signed up for credit card processing, you should not need to bring in a check for the dues on the 1st as it will be automatically charged to your credit card. Please email me at vhsieh@mhdesign.com if you have any questions regarding your first payment.

Make all checks payable to "SLST", except the checks to Pacific Swimming. Please review the payment chart below to determine the amount you need to pay at your first practice. Payment for registration and dues must be made on or before your child's first practice.

If you are a member of Saint Lawrence either the schools or parish, please let me know and you will get a \$20 discount per

month. You can also receive a 10% discount if you pay three months in advance. We currently are accepting credit cards for both the registration and monthly dues. Credit card payments are not valid for 3-month pre-pay discount.
