

Fairfield High School

The pool is located on the back side of the campus at 205 E Atlantic Ave, Fairfield. Parking is available near the pool-it is a short walk.

We will be using the pool during the pool renovation project at Solano College.

Parking

There is a large parking lot with solar panels near the tennis courts. Participants should park in this lot and then walk to the pool. This is a shared parking lot with other athletic teams and activities. Please follow all posted parking lot rules.

Construction on Campus

Please note that there is currently construction on campus. Some areas of campus are not accessible.

Restrooms and Locker Rooms

Locker rooms with restrooms are available for use. These are shared use with other sports and activities on campus.

Spectators

There are several spectator areas on the pool deck. Parents and spectators are welcome to attend practices. We do ask that spectators remain in designated areas and refrain from coaching or teaching their children during practices.

Coaches are available before and after practices as needed. Parents are welcome to have a quick conversation if needed during practices, however, we ask that longer conversations are held before or after practices. This allows our coaches to maintain focus on our swimmers at all times during their practices.
