

## Parking Requirements While on Solano Community College Campuses

Whether you are a student or a visitor, a parking permit or daily meter ticket is required to park on Solano Community College grounds.

***It is your responsibility to make sure your vehicle has the required permit, clearly displayed, while parked on campus. Parking permits are required each semester and during the summer session whenever classes are in session between the hours of 7:00 AM & 10:00 PM. Permits are not required on weekends or recognized holidays.***

If you're not a current student you have several options for purchasing parking passes:

1. Around the perimeter of the campus on the outside edge of each parking lot are large parking permit pay stations. For \$2 (cash only) you can purchase a permit good for the entire day. You must have two one dollar bills or two dollars in nickels, dimes and/or quarters.
2. You may purchase a "semester decal" which you place on the lower left, driver's side of your windshield. This decal is good for the entire semester and costs \$32. You can purchase this decal on-line using a credit or debit card at: <https://www.credentialsops.com/CGI-BIN/gacgiord.pgm?ALUMPP001292>. If you opt to purchase a semester decal on-line please be sure to have a printer available as you will have the option of printing a temporary permit to use while you wait for the decal to arrive in the mail.
3. There are several visitor's parking spaces available in lots 1 & 4 where you can park for 30 minutes without charge. This option can be used once in a 4 hour period and is strictly enforced.

Please be advised:

1. There is never to be any parking or "waiting" in a red curbed area.
2. There is no "Inner Campus" parking allowed. Please stay in marked student parking lots.

For more information regarding parking on any Solano Community College campus please visit:
