

## **Winter Lessons 2023 Participant Information**

**The following information is for participants of the Winter swim lessons.**

### **Solano College-Facilities**

Locker rooms as well as restrooms are available throughout the week. The locker rooms are shared with other programs.

### **Pool Area**

Parents are welcome to sit in the bleacher area or under the shade structures on the side of the pool. Other areas of the pool deck are open to swimmers and staff.

Parents should refrain from teaching their swimmers from the side of the pool. Instructors may ask a parent to be at the side of the pool if their swimmer needs assistance.

Food is not allowed on the pool deck. All food items should be consumed in the bleacher area. Drinks are fine on the pool deck-please dispose of empty bottles and/or cans.

### **Parking on Campus**

Parking is available in the student parking lots on campus. Parking passes ARE NOT required for the spring semester.

DO NOT park in staff parking lots. Campus safety does patrol this area and will ticket.

The round-a-bout can be used for drop off and pick up. Please note that cars cannot remain parked in the round-a-bout.

Handicapped parking is available for anyone displaying the appropriate pass or license plate. Please do not use these spaces for drop off and pick up unless you are displaying the appropriate pass.

### **Health and Safety**

If a participant has a pre-existing medical condition, please notify the swim lesson instructor or DART staff before the beginning of the lessons. California State Health Department state that participants having active diarrhea or who have had active diarrhea within the previous 14 days shall not be allowed to enter the water

### **Swim Diapers-Swimmers under the age of 3**

Swimmers under the age of three or swimmers who are not toilet trained should use swim diapers when in the pool. Bowel movements in the pool can be a health hazard and may force a pool shutdown. Do not substitute with plastic training pants or regular diapers of any kind.

### **Makeup Lessons**

Makeups are not scheduled as per our instructor availability. All of our lessons are one-on-one, so instructors are scheduled to work with swimmers during the times they are registered.

If space allows, we may extend makeup lesson opportunities. These would be scheduled at a day/time that a class is not full. These will be communicated to anyone who requests a make-up...but are not guaranteed.

### **Refunds**

Fees are due and payable at the time of registration. NO refunds will be made without a medical excuse with a written note from a doctor. Enrollment cannot be prorated due to vacations or partial attendance.

If a refund request is made with enough notice, we will open up the reserved lesson spot to see if another participant will take the space. If so, this would allow for a refund-however, this is not guaranteed.

Any refunds are subject to a \$10 refund administrative fee. Any emails should be sent to [dartsolanoswim@gmail.com](mailto:dartsolanoswim@gmail.com).

### **Pool Closures**

WE swim rain or shine.

If the event of an unexpected event causes a pool closure, we will use the following procedures:

- Offer a makeup day if one can be scheduled.
- Refund for the day missed.

*Events that could cause pool closure may include but are not limited to:*

- Mechanical/Pool Issue
- Air Quality Issue (we follow the USA Swimming policy for air quality cancellations)
- Fecal Closures
- Lightning or Thunder.

Any pool closures will be communicated electronically as well as on-site as soon as possible.
