

Registration Information 2019-20

Registration is currently open for all groups for the 2019-2020 season.

Intro Otters will return to the College Pool in March of 2020

Beginner Otters will return to the College Pool in February of 2020.

Registration Fees 2019-20 Season

To register for the team, you can go to the SASO swimming website. Click on one of the two available buttons- "Start Registration" and "Register for the Team."

New Swimmer Evaluations and Trial Week

All new swimmers interested in SASO should schedule a new swimmer evaluation. Following the evaluation, swimmers will be assigned to a SASO group and offered a free tryout week.

Swimmers who wish to join the team should register following their trial week to continue swimming with the team.

Annual Registration Fees

Each swimmer is charged an annual SASO registration fee when registering for the team. The fee includes a silicon cap and t-shirt for each registered swimmer.

Senior 1, Senior 2, Junior, Age Group, Blue Otters and Yellow Otters \$45.

Beginner Otters and Intro to Otters \$25.

**Seasonal groups will have the annual fee built in to their seasonal fee.*

***Annual fees are adjusted to \$25 for all groups starting in April.*

Monthly Dues

Monthly dues are collected on the first of each month starting in October. First month dues are collected at the time of new swimmer registration.

Dues have been adjusted for the 2019-20 season. Dues and group information are available on our website.

All swim groups will be charged \$40 for their monthly dues in August of 2020.

USA Swimming Registration

All SASO swimmers MUST be registered with USA swimming. Returning swimmers with current USA swimming registrations will be registered by the team in December. Fees will be collected on February 1 for the registration.

New swimmers will be invoiced within their first 30 days for their USA registration.

High School Associate

Any swimmers who wish to register as a high school associate swimmer should contact Head Coach Ricky Silva. This option is available to swimmers who can participate with SASO on a limited basis during their high school season. More info is available in our Team Handbook.
