

USA Water Polo Program-Summer 2021 (updated)

SASO Water Polo will return to the pool this summer. Our USA Water Polo team will be open to participants ages 13 and older with previous swim or water polo experience

June 15-July 30

4:30-6:00 pm

Rod High School

The season will include conditioning, technique, skill development and competitions. If numbers allow, practices will be broken into boys and girls practices.

Coaching Staff

Nicholas Smith

Head Men's Coach-Rodriguez High School

Allison Dugdale

Sonoma State Water Polo-Graduate

**Additional coaches will be added-info will be available on our website*

Registration-opens Monday, May 24

All interested participants should register on our website to hold a spot. Participants will be charged the team fees of \$300. All participants should also register with USA Water Polo prior to the start of the summer season. Fees will be invoiced before June 14.

Competitions

The coaching staff is currently developing our competition schedule based on availability as well as the number of signups for our program. Information will be posted on our website once confirmed.
