

Team Registration 2020-21 Season

Registration is currently open for the 2020-21 season. We have opened up the following groups for registration. Additional groups will be added once we return to the Solano College pool.

Senior 1, Senior 2, Junior, Age Group, Blue Otters, Yellow Otters.

**Beginners who are active with the team have been moved to Yellow Otters for November*

Registration For Returning and New Swimmers

Due to limited space, registration is only open to returning (currently active) swimmers at this point. We will open a limited number of spaces to new swimmers on November 1.

To register for the team, you can go to the SASO swimming website. Click on one of the two available buttons- "Start Registration" and "Register for the Team."

Group Information

Group information and brief descriptions can be found at the link below. Note that group information has been modified due to COVID.

Annual Registration Fee

Each swimmer is charged an annual SASO registration fee of \$45 when registering for the team. The fee includes a silicon cap and t-shirt for each registered swimmer.

Senior 1, Senior 2, Junior, Age Group, Blue Otters and Yellow Otters

Monthly Dues

Monthly dues are collected on the first of each month starting in November. Swimmers who register after November 1 will have their first months dues charged upon registration.

Dues have been adjusted for the 2020-21 season. Dues information can be found on the group information page.

USA Swimming Registration

All SASO swimmers MUST be registered with USA swimming. Returning swimmers with current USA swimming registrations will be registered by the team in December. Fees will be collected on February 1.

New swimmers will be invoiced within their first 30 days for their USA registration.

High School Associate

Any swimmers who wish to register as a high school associate swimmer should contact Head Coach Ricky Silva. This option is available to swimmers who can participate with SASO on a limited basis during their high school season. More info is available in our Team Handbook.
