Swimmers will be compared against all the **applicants** in their age group in each event. Points will be awarded in each event as follows: 5 points for 1<sup>st</sup>, 4 points for 2<sup>nd</sup>, 3 points for 3<sup>rd</sup>, 2 points for 4<sup>th</sup>, and 1 point for 5<sup>th</sup>. The points for each swimmer will be totaled and then divided by the number of events in their age group to establish an average points per event number. This calculation will be done for LCM and SCY events. The average points from the LCM Only the times from August 6<sup>th</sup>, 2014 to the May 31<sup>st</sup>, 2015 will be used.

**The Team (Top 8 swimmers in each age group) will be selected based on the following formula:**

***Point total from the number of WZ qualification times + (the average point totals of the LCM and SCY times)/2***, as this will establish an overall point total for each applicant.

\*\*Any ties for the final position(s) will be broken by the most WZ qualification points, followed by the most points per LCM event.

\*\*Swimmer must have one AA time (sc/lc) in order to apply for WZ Team \*\*
