

July 16, 2022

DART Swimming welcomes you to the 2022 Bill Rose Classic Sierra Nevada Long Course Championship!

We are looking forward to an amazing four days of swimming at the new North Natomas Aquatic Complex from July 21-24. Given that this is a new facility we wanted to make sure all families received detailed information about the amenities and the meet layout.

**Parking:**

Parking is available at the pool complex, North Natomas Regional Park, and Inderkum High School. NO RV overnight parking allowed. Violators will be ticketed and/or towed. See the parking map below for additional information.

**Team Setup:**

Visiting Teams will not be allowed to setup any earlier than Thursday 7/21 at 5:45AM. Setup is only allowed in the designated area on the map below. Team areas inside the fenced area can remain set up overnight at your own risk, but please remove blankets, tarps and rugs, etc. from the grass overnight. No tents are allowed on the bleachers. DART will be providing tents for the coaches, but they should bring their own chairs.

**Coaches and Swimmers:**

Swimmers, please pickup your goodie bag next to the clerk of the course. Only one bag per swimmer. Coaches, please check in at the clerk of the course to receive your credentials.

**Concessions:**

Various food trucks will be available in the parking lot throughout the duration of the meet. A full lineup of trucks can be found on the site below. Additionally, there are two grocery stores and several restaurants within walking distance of the facility.

**Vendors:**

A limited number of event vendors will be in attendance at the event. This includes TYR, Bill Rose Classic swag, and others. Check out their booths on the north end of the complex adjacent to the warmup pool.

**Timers:**

We will be utilizing two timers per lane. Given that we are running two courses at the same time it is critical that we fill these timing spots. We all want to ensure that each swimmer receives an accurate time.

**Additional Meet Information:**

Additional information will be provided daily on the 2022 Bill Rose Classic website which can be found at <https://www.dartswimming.com/bill-rose-classic>. This will include psych sheets, heat sheets, timer lane assignments, and specific food truck information.

Good Luck To All Swimmers and SWIM FAST!

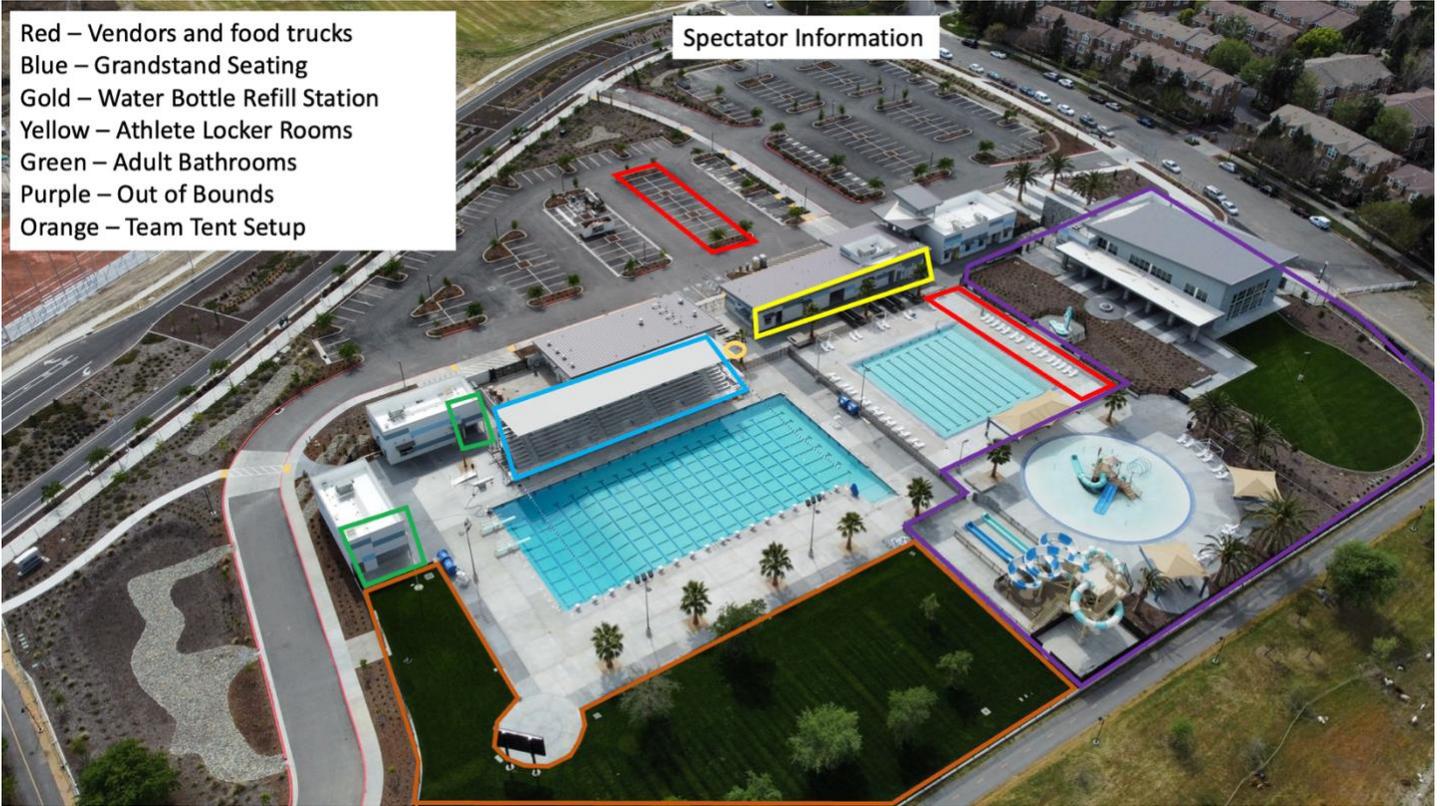

Sincerely,

DART Swimming
