

USA Swimming Safe Sport staff are hosting weekly Zoom training's to help club's achieve the training requirements of the Safe Sport Club Recognition Program.

Parents and athletes will tune in for the one hour training where attendance will be taken so their clubs receive credit. There will also be weekly training available to coaches where they will learn more about the Safe Sport Club Recognition program and how to share Safe Sport information with their membership.

There is no registration required at this time, attendees only need to join the meeting at the links below and come willing to participate and learn.

Please pass this meeting information along to clubs in your LSC's.
