

Our mission statement:

*"The mission of the Vacaville Swim Club is to develop a safe community-based program where swimmers of all ages and abilities have the opportunity to fulfill their potential as athletes through the highest levels of our sport. We emphasize the core values of integrity, sportsmanship, respect and character along with a healthy lifestyle through the sport of competitive swimming. Each participant and family in our program is valued as an integral part in creating a safe environment of excellence in achievement and personal growth."*
