

Swim Connection

How to sign your swimmer up for a swim meet!

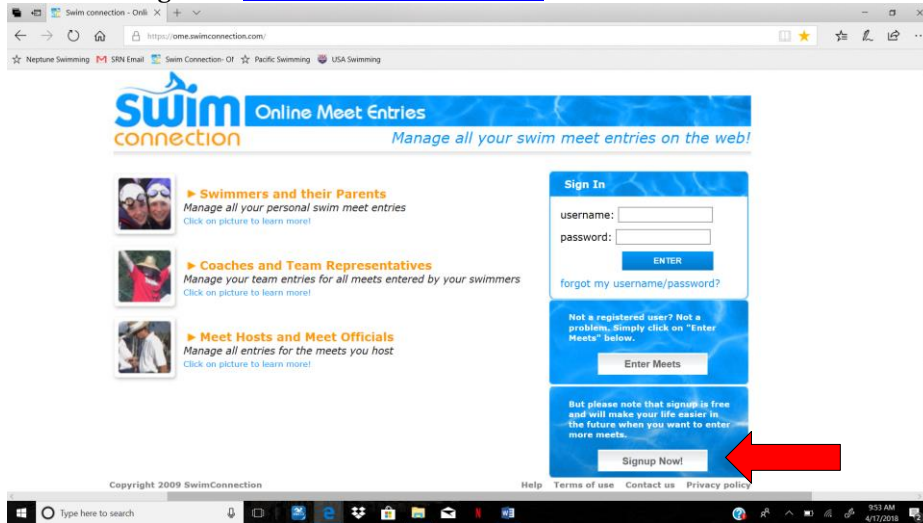

Please note- Neptune Staff encourage your swimmer to attend meets that are on our team calendar for two reasons. One, we want to be sure your swimmer has a coach there to help them have the best experience possible. Two, there is a process of communication that needs to happen to assign coaches and officials if you swimmer attends a meet that our team is not attending. Check the Neptune Calendar for Neptune approved meet by clicking [here](#).

Thank you,

Neptune Coaching Staff

1. Create an OME Swim Connection Account

- Navigate to omeswimconnection.com. Create an account.

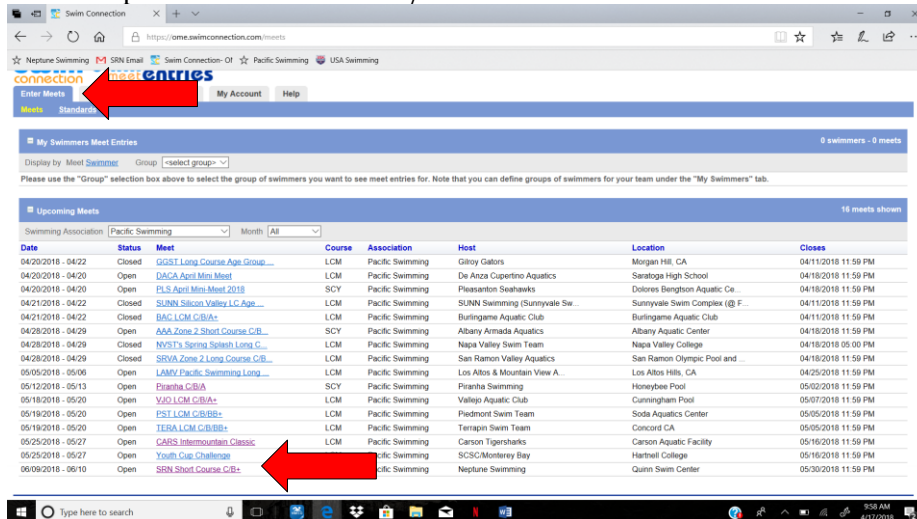

2. Add your swimmer/s to your online account

- USA ID is typically 3 letters of first name, middle initial, and the first 4 letters of the last name. An example would be 071404MELGLEWI. If your child doesn't have a middle initial you will put an "*" (please make sure you enter your child's USA Swimming number and that it is entered correctly.)

- Once you have an account you don't need to enter this information in anymore.
