

# Neptune Senior 2013

<http://www.santarosaneptunes.com>

## Best Wishes from Head Coach

Dear graduating seniors,

Congratulations on reaching this exciting milestone in your young lives! The cyclical nature of coaching swimming becomes clear

every year at graduation time as another class of seniors is sent off to tackle the world. Over the years, we've truly enjoyed watching you grow from young kids to young adults. As you've challenged us, we've challenged you, as you've inspired us, hopefully we've inspired you, and as you've grown from your experiences, without a doubt - we've grown from our experiences.

From swimming we hope you've learned specific skills

that translate well to the real world and if you continue perfecting these skills that make up your "toolbox," it will help guide you in the years to come. We are so proud of you and expect that you will excel in life just as you've excelled as a Neptune. Please keep in touch and remember "Once a Neptune, Always a Neptune!"

Sincerely yours!

Dan S. Greaves

- Rebecca Baxley -P6
- Bowen Brooks -P8
- Katie Chestnut -P3
- Ben Crabb -P4
- Morgan Edgar -P4
- Miranda Howell -P2
- Sean Kazemini -P8
- Nate Kuhn -P2
- Maggie Leinen -P5
- Kevin Mertz -P6
- Julia Personeni -P3
- Georgia Pettibone -P7
- Kate Sabourin -P7
- Reid Whaley -P5
- Taylor Young -P9

Congratulation to 2013 Senior Swimmers!

Best Wishes to You All!

From All Neptune Swimmers and Coaches

## Note from Editor - Catherine Liang *Catherine Liang*

Thank you to all of the 2013 Neptune seniors who have served as amazing role models for all of these years. I have truly been inspired by the many memories and future goals that you have shared with us. And I am glad to be able to present them to everyone in this Senior Section! Seeing what each of you has accomplished is nothing short of astounding. Through your own example, each of you inspire us to work hard at everything we do. We can see the dedication and determination that each and everyone of you have to achieve your goals. It goes without saying that we all aspire to be great swimmers like you. Yet, even more, you have all been outstanding individuals that are respected beyond in and out of the pool. As you head off to college, your legacy remains in all of the advice and help you have given to us. Thank you guys so much and congratulations on graduating. We wish you a bright future!!

Neptune Swimmer 2013  
**UNIQUE**

**Name:** Miranda Noelle Howell (Gold)      **Age:** 18      **Year started with Neptune:** 2006  
**Favorite Stroke:** Backstroke and Freestyle      **High School:** Homeschool  
**Favorite subject in high school:** Art, because I can express myself through singing and sketching.  
**Memorable moment with Neptune:** Beating Misty Hyman at underwaters, group cheers at USF, and 2 Sectionals in Gold group.  
**Advice to the young swimmer:** The advice I want to give to you is, when you reach the peak of your swimming career, don't think you can't go any higher. In pain and disappointment you have to believe and look inside yourself for strength. Don't let others bring you down, be proud of who you are, and don't change just to fit in with others.  
**College/university plan to attend:** SRJC - Go Bear Cubs!  
**Plan to swim in college/university:** I am going to swim in college because I promised Grandpa.

*Miranda's unique career took her from a National ranking, to injured and struggling to find herself as a swimmer. During her eleven years, her loud cheer resonated across the pool deck, her leadership skills won her two Coaches Awards, and her memory and underwaters stood out. Her times were fast, but her spirit was clearly the winner.*

**"It has been a great pleasure to not only coach you, but to get to know all of you young adults. I congratulate you all on what you have already accomplished in high school, and am excited to see you all find your greatest dreams come true in the future. Keep working hard, in or out of the pool, and anything is possible!! We will all miss you on the Neptune pool deck!"**  
**-- Coach Tyler Denize --**

**Career goal:** To become a teen therapist and help them realize life is a beautiful gift if you can avoid/recover from addictions and problems.

**Message from Family**

**Thank you for sharing the entire experience with your family. We will miss the hugs after the wins, all of the long talks and planning, and your beautiful smile when you were enjoying the moment. Remember, solipsism is the key. Estamos muy orgullosos de ti. This chapter is over, but your award winning novel is just beginning.**

Neptune Swimmer 2013  
**DETERMINED**

**Name:** Nate Kuhn (Elite)      **Age:** 18      **Year started with Neptune:** 2005  
**Favorite Stroke:** Backstroke      **High School:** Analy High School  
**Favorite subject in high school:** Physics. Because it explains how the world works.  
**Memorable moment with Neptune:** The Western Zone meet in Hawaii  
**Advice to the young swimmer:** Don't spill coach Tony's coffee.  
**College/university plan to attend:** UC San Diego  
**Plan to swim in college/university:** Yes.  
**Career goal:** Naval Officer and/or Structural/ Coastal Engineer

*Nate's first swim meet with the Neptunes at Willits. Nate had been swimming in Texas for two years and was swimming at the "A" level. After we moved here and he took five months off of swimming and he was afraid to swim the 100 free. Cameron talked him through it. About three months later Nate wanted to quit swimming and Tony and Dan talked him out of it. Thanks to great coaches for encouraging Nate to keep swimming.*

**Message from Family**

**We are so proud of Nate for his dedication to swimming. His goal setting and hard work in swimming have spilled over to his academics. We are proud of Nate for completing his application to the Naval Academy. It required many months of: filling out applications, writing essays, asking for recommendations, and seeking a congressional nomination. In addition to applying to the Naval academy, Nate applied for a NROTC scholarship as his backup to become an officer in the Navy. Nate was not accepted to the Naval Academy but he did receive a NROTC scholarship to attend UCSD. He will serve as an Officer in the Navy for five years after he finishes college.**

**Name:** Katie Chesnut (Gold)      **Age:** 17      **Year started with Neptune:** 2006  
**Favorite Stroke:** Butterfly      **High School:** Maria Carrillo high school  
**Favorite subject in high school:** History. it is cool to see how the past shaped the present.  
**Memorable moment with Neptune:** When Dave punished the group I was in and forced us to tarp and untarp the baby pool. I enjoy all the practice and the fun stuff with team.  
**Advice to the young swimmer:** Make sure you like what you are doing. it makes it so much more fun.  
**College/university plan to attend:** I am going to university of Puget Sound in Tacoma Washington.  
**Plan to swim in college/university:** I don't plan on swimming for a school, but I would still like to swim, maybe on a masters or by myself.  
**Career goal:** I would like to do something along the lines of international business. I haven't figured out exactly what yet, but I know I want to do something incorporating an international aspect.

## Message from Family

*As an exchange student last year in Finland, Katie swam on a Finnish team, doing all workouts that were given in Finnish.*  
*Katie joined Neptunes to get out of doing track, ended up falling in love with swimming.*

**Katie, we are very proud of you, and you have learned how to work hard, stick with your decisions. You have always been really reliable and trustworthy, qualities that will help you in your future conquests. We bid you the best of luck wherever you may go, and we love you very much.**  
**Mother Chesnut, Father, Sally and Clayton**

**Name:** Julia Personeni (Elite)      **Age:** 17      **Year started with Neptune:** 2002  
**Favorite Stroke:** Breaststroke      **High School:** Cardinal Newman High School  
**Favorite subject in high school:** Math. I like that there is a way and formula to do everything. It sounds nerdy, but I like finding "X".  
**Memorable moment with Neptune:** My most memorable moment on the Neptunes is just practice with my friends/teammates and coaches. We spend a lot of time together so everyone is like family and it is really fun even when it is really hard to get through a practice.  
**Advice to the young swimmer:** Keep your future in mind as you go through middle school and high school. Do what will make you happy and stick with your gut!  
**College/university plan to attend:** University of San Diego  
**Plan to swim in college/university:** Yes, I am swimming for USD.  
**Career goal:** Sports Psychologist

## Message from Family

**BEST LEARNING EXPERIENCE-***missing 100 fly at age 11 because Mom didn't "hound" her (not favorite stroke anyway!!)*  
**FUNNIEST EXPERIENCE-***making reservations at Pleasanton instead of Pleasant Hill for meet in Pleasant Hill!!*  
**PROUDEST EXPERIENCE-***getting first sectional after all her hard work-- even though her first thought was to look for Coach Tony!!*

**We can't believe the years have passed so quickly and how much you've accomplished and grown. Most of what you've achieved has been under your own power and determination, for you've always been strong in your mind and heart. Your kindness to others is evident in your number of friends and unselfish support to all, and is a testament to your self-esteem. You don't stop until you're content, and yet you stay balanced and realistic. We look forward to your continued journey into college and beyond and will always support you in anything you try!**  
**Love you forever,  
 Mom, Dad, and Joey XOXO**

**Name:** Ben Crabb (Elite)      **Age:** 17      **Year started with Neptune:** 2008

**Favorite Stroke:** Backstroke      **High School:** Windsor High School

**Favorite subject in high school:** History, I like learning about the past and when I was homeschooled we spent a lot of time on it and my mom was a great teacher who made it interesting.

**Memorable moment with Neptune:** My first meet at Napa it poured rain the entire day!

**Advice to the young swimmer:** Listen to your coach and no dream is too big, it just takes steps to get there.

**College/university plan to attend:** Santa Rosa Junior College

**Plan to swim in college/university:** Yes

**Career goal:** To work with exotic animals

*Throughout Ben's life, he has never met a stranger and always has a smile to share. His energy for life and enthusiasm brighten our day. As a child, he was fascinated with Peter Pan and hoped he could be Peter Pan so he would never have to grow up!*

**Message from Family**

“Seniors as you move forward in your lives remember this, ‘Success is to be measured not so much by the position that one has reached in life, as by the obstacles which he has overcome’, Booker T. Washington. I’m honored to have coached you.”  
— Coach Cassandra —

Ben has always loved the water and he found his passion when he came to California and began swimming for the Neptune’s. He has met so many new friends, experienced the successes of hard work and the support of caring coaches. We couldn’t be more proud of his dedication, leadership and success as a swimmer at Windsor High School and as he moves on the SRJC. We love you!  
Mom, Dad & Matthew

**Name:** Morgan Edgar (Gold)      **Age:** 17      **Year started with Neptune:** 2001

**Favorite Stroke:** Freestyle      **High School:** Cardinal Newman High School

**Favorite subject in high school:** Latin. It is actually very, very interesting and fun.

**Memorable moment with Neptune:** Zone III championships at Univ. of San Francisco pool

**Advice to the young swimmer:** Never stop working on improving your technique, your turns and your starts.

**College/university plan to attend:** UC Davis

**Plan to swim in college/university:** No.

**Career goal:** Graduate with a four-year degree and then go to law school

**Message from Family**

*Morgan used to dislike cheese so much that she would take the cheese off of a cheese pizza before eating it.  
Morgan actually enjoys swimming the 500 free.*

Morgan: Thank you for participating in competitive swimming all these years. It has truly been our pleasure. It was an unforgettable joy, literally wrapping you up in towels and carrying you around at swim meets when you were young. We sincerely appreciate all those car rides, cups of noodles, breakfast burritos, and hotel room stays. You probably don’t realize this, but more than anything else, it allowed us to spend time with you that we may have otherwise had. We will be forever grateful.

Neptune Swimmer 2013

FUNNY

**Name:** Maggie Leinen (Gold)  
**Favorite Stroke:** Freestyle

**Age:** 17      **Year started with Neptune:** 2003  
**High School:** Cardinal Newman High School

**Favorite subject in high school:** History, because I find the information interesting and I like learning about things that happened before.

**Memorable moment with Neptune:** All my swimming friends

**Advice to the young swimmer:** Embrace the friends you make through all your swim groups. You'll meet lots of different people as you change groups and they will all have meaning in your life.

**College/university plan to attend:** Baylor University

**Plan to swim in college/university:** No, just for exercise.

**Career goal:** To become a doctor

## Message from Family

*When Maggie was little, she liked to watch her cousins play soccer. Her aunt would bring donuts to the soccer games. At one game, Grandma had put her donut down to cheer. She turned back around to pick up the donut and it was gone. And there sat Maggie with a huge mouth full of donut trying to look very innocent! Maggie had stuffed the whole donut in her little 3 year old mouth!*

*At 12 and traveling in Rome, while walking through the amazing St. Peter's Basilica and she turned to her parent and said, "For this I gave up Disney World?"*

Maggie, we are so proud of the lovely young woman you have become. Your strength and conviction of where you want your life to go is so impressive. You will be successful no matter what you do because of your strong belief in yourself. We couldn't be prouder of you. "Go confidently in the direction of your dreams. Live the life you have imagined."

Love, Mom and Dad

Neptune Swimmer 2013

ALLEGIANCE

**Name:** Reid Whaley (Elite)  
**Favorite Stroke:** Backstroke

**Age:** 18      **Year started with Neptune:** 2009  
**High School:** Casa Grande High School

**Favorite subject in high school:** I am fascinated by the way the human body functions, so I loved biology. Psychology was also really interesting for me too; learning about how fragile the mind is and knowing how we can protect our health was so fun to learn about.

**Memorable moment with Neptune:** I have created so many amazing memories with this group of people. I would have to say that every travel trip I have been on has left a lasting impression. Being able to be a part of such a talented group of athletes has been such an honor, and being able to thrive with people who share the same passion as I do is something I will never forget.

**Advice to the young swimmer:** Use your time wisely and channel your energies where they're most needed. Time goes by way too quickly to be distracted by things that aren't worth your efforts. Every single one of you has what it takes to be great at this sport; do what you love and you can't go wrong.

**College/university plan to attend:** UC Santa Barbara

**Plan to swim in college/university:** Yes, of course!

**Career goal:** Nutritionist/ Dietitian, Public Health.

## Message from Family

*Like most little girls, Reid tried dance – ballet and tap, specifically. She didn't like it, preferring to jump over fences on her pony, instead. By the time she was 11, Reid was a talented hunter/jumper competitor.*

*Reid is gifted musically. She learned the flute in 6th grade and has played in her school band/orchestra since. She has sat first chair in high school and recently played instruments in the percussion section.*

Dear Reid,

In just 18 years, you've become this principled, determined and elegant young woman. You've hurdled health obstacles as a child most adults will never experience, and have emerged a strong, take-nothing-for-granted, appreciative and enlightened human. We are honored to be your family and will continue to stand with you as you face tomorrow's challenges with the grace, fortitude and success you have in the past.

We love you. We are so proud.

Mom, Dad and Shae

**Name:** Rebecca Baxley (Elite)      **Age:** 17      **Year started with Neptune:** 2008  
**Favorite Stroke:** Backstroke      **High School:** Analy High School

**Favorite subject in high school:** Anatomy, I have always been interested in science, and its very interesting to learn how our bodies function.

**Memorable moment with Neptune:** My most memorable moments have been with the team traveling down to USC in the summer and getting the chance to watch everyone swim and cheer for each other, and hanging out in the dorm rooms. Traveling to swim meets with my teammates makes me feel like I have a second family that I am so proud and lucky to be a part of.

**Advice to the young swimmer:** There are an endless amount of things I would advise young Neptune swimmers, but I think an important one is to trust your coach and trust your ability. We are lucky to have such a great coaching staff, so listen to them, I promise they know what they are talking about! Second, always trust your ability when you are on the blocks about to dive into your race. At that point you can't turn back and you need to believe in yourself and all the training and practice.

**College/university plan to attend:** University of Texas  
**Plan to swim in college/university:** Yes.

*Rebecca enjoys helping those in need and making people smile. While in high school she volunteered at the Ceres Project where she helped prepare meals for critically ill people and their families. We're sure these skills will come in handy when she has to cook for herself!*

*Rebecca gets her creative outlet through music. She has played piano since she was five and started learning the flute not long after. She is passionate about her music and we love hearing her play.*

**Career goal:** I would like to work in the science field, but I honestly have no idea what my future plans are, I guess wherever the road takes me!

## Message from Family

We are so proud of the kind, intelligent and driven person Rebecca has become. We have enjoyed watching her achieve her goals in swimming and academics and commend her on the incredible work she has put in to get there. We could not be more excited for her to start her new adventure at the University of Texas and have no doubt she will succeed on any path she chooses.

We love you!

**Name:** Kevin Mertz (Elite)      **Age:** 18      **Year started with Neptune:** 2011  
**Favorite Stroke:** Freestyle      **High School:** Santa Rosa High School

**Favorite subject in high school:** Math, there is always a right answer.

**Memorable moment with Neptune:** Playing flag football at dryland.

**Advice to the young swimmer:** Don't breathe off the wall.

**College/university plan to attend:** Brown University  
**Plan to swim in college/university:** Yes.

**Career goal:** Still exploring my options.

## Message from Family

*When Kevin was a "6 and under" rec swimmer, his coach told the team to wear their team suits for the group photo. Kevin raised his hand and said, "But I don't have a team suit," and the coach clarified that she meant the suit that he wore to swim meets. Kevin insisted, "I don't wear a suit to swim meets -- I only wear a suit for fancy places."*

*Kevin was a Scout for 10 years. Every summer at camp he was awarded the "Camper of the Year". He earned every aquatic merit badge and he holds the mile swim record at each camp he attended.*

Kevin's best attributes are being a hard-worker and thoughtful. He has always been an excellent student: eager to learn and working to the best of his ability. At home is helpful and considerate. If Kevin disagrees with someone he will take a moment and think about the other person's perspective. He has great maturity when it comes to dealing with others. He is a lot to be proud of.

**Name:** Georgia Pettibone (Elite) **Age:** 17  
**Favorite Stroke:** Backstroke and Butterfly  
**Favorite subject in high school:** Biology  
**Memorable moment with Neptune:** Travel trips with the team to Texas and Seattle  
**Advice to the young swimmer:** Always give 100% effort in practice so that when it's time to race you'll know you did everything you could to swim fast.  
**College/university plan to attend:** Northwestern University  
**Plan to swim in college/university:** Yes.

**Year started with Neptune:** 2012  
**High School:** Analy High School

*Having long hair and swimming year round in Rhode Island can lead to having a very cold head most of the year. Early on (about age 7) Georgia realized that if she kept her cap on after practice she did not get nearly as cold running to the car, into the house, eating dinner etc. At the annual swim banquet many people could not figure out who the girl was with the long blond hair because most had never seen her with her cap off!! Despite the fact that Georgia was in a hot pink cast up to her knee she decided she would not miss the upcoming championship meet. 3 days before the meet she told the orthopedists assistant that she had come to get her cast off and be fitted for a "boot". Without questioning, the assistant sawed the cast off and Georgia left the office with a boot. Three days later she hobbled to the starting blocks with the boot on, took the boot off, got timers to help her get onto the blocks, swam her race, got helped out of the pool, put on her boot and hobbled back across the deck with a big smile on her face.*

**Career goal:** To become a doctor

### Message from Family

Georgia, we cannot begin to put into words how very proud we are of you. You leap over challenges that are put in your path and never fail to look straight ahead toward your goal. Moving three thousand miles the day before the start of your Senior year, alone on a plane with two suitcases and your swim bag, family still packing up in RI, headed for a new school, new team, did not slow you down. You met this challenge with the same spirit and attitude that you have always shown. Your work ethic is beyond reproach and your heart bigger than any 50 meter pool. You have always been a true team player, interested in every team members success. It is with such great pride that we shout out "Go Georgie Girl!"

**Name:** Kate Sabourin (Elite) **Age:** 17 **Year started with Neptune:** 2004  
**Favorite Stroke:** Freestyle **High School:** Montgomery High School  
**Favorite subject in high school:** Chemistry. I had a great teacher who make me want to go to each class, made learning about Chemistry fun and we did a lot of interesting experiments too.  
**Memorable moment with Neptune:** This year at a travel meet in Texas, I was aiming to go under 4:30 in the 400 IM. When I got up on the blocks and throughout the entire race, I could hear all of my teammate cheering for me and it helped me keep going during the race. When I touched the wall, I knew I had gone under without seeing the clock because I could hear all of them screaming and cheering. When I got out, they all came up and hugged me and some were even crying. It was one of the best feelings in the world. I will never forget that day.  
**Advice to the young swimmer:** Try all of the events. If it weren't for doing all of the different events at least once, I would have never found out what events I was best at.  
**College/university plan to attend:** Seattle University  
**Plan to swim in college/university:** Yes.

*When Kate began swimming in white group she was so nervous she couldn't sleep the night before a meet at College of the Redwoods knowing she would have to talk to Tony about her events. In the 6th grade Kate cut her very long hair short and donated it to "locks of love".*

**Career goal:** Something to do with Biology/ Biochemistry. I'm not quite sure yet.

### Message from Family

It rained every day for a month after the day you were born and you've never been far from the water since. Your dedication and love of swimming brought you to the Neptunes where we were introduced to the wonderful sport of swimming and the incredible people and families that have become your friends and ours. Take all this love and support with you as you race toward new adventures and opportunities!

Neptune Swimmer 2013  
**SOLID**

**Name:** Bowen Brooks (Gold)      **Age:** 18      **Year started with Neptune:** 2004  
**Favorite Stroke:** I.M.      **High School:** Healdsburg High School  
**Favorite subject in high school:** Computer Science, because it is what I plan on studying.  
**Memorable moment with Neptune:** When Coach Tyler kicked us all out of the pool in practice  
**Advice to the young swimmer:** Just keep swimming  
**College/university plan to attend:** Santa Rosa Junior College  
**Plan to swim in college/university:** Yes.  
**Career goal:** To become a computer programmer

*Bowen refused to swim in his first final at a swim meet in Vallejo. After some very strong encouragement from Cameron, Bowen swam the event and achieved a personal best.*

*Bowen has had bad luck with aquatic wildlife. He has been stung by a jellyfish in Australia, and a Stingray in San Diego. No wonder that he does not like open water swimming.*

**Message from Family**

We have really enjoyed watching you swim with the Neptunes for the past eight years. You have shown that passion, dedication, and hard work can provide great rewards. We believe that you will continue your pursuit of excellence in every endeavor which you choose to pursue.

“Congratulation to all of our senior Neptunes. Now that you will be starting the next chapter in your lives, you will realize that your Neptune experience will always be with you and that swimming will always be part of your lives in some way. I wish you the best of luck in whatever you pursue, whether you have chosen college or career.”

— Coach Hannah —

Neptune Swimmer 2013  
**KIND-HEARTED**

**Name:** Afsheen (Sean) Kazemini (Gold)      **Age:** 17      **Year started with Neptune:** 2007  
**Favorite Stroke:** Butterfly and Freestyle      **High School:** Maria Carrillo High School  
**Favorite subject in high school:** Psychology because I get to understand peoples emotion and how to help people.  
**Memorable moment with Neptune:** The most memorable moment was hanging out with all my friends at the swim meets and making new friends on my first day of practice.  
**Advice to the young swimmer:** Never give up on your dreams and without spirit and determination you won't get far and reach your goal. but the most important thing is to have fun and enjoy yourself.  
**College/university plan to attend:** Santa Rosa Junior College  
**Plan to swim in college/university:** Yes, I do for the junior college but I'm not sure for the university I want to go to.  
**Career goal:** I want to go into international business/marketing.

*Sean was a part of the Disneyland parade that occurs down the main street of Disneyland.*

*Sean has a passion for traveling and an eye for architecture.*

**Message from Family**

Sean, as you grow before our eyes, we have no doubt that life will only offer its grandest to you. Your strength, kindness, and thoughtfulness are only a few gifts that were bestowed upon you. We love you, Sean! You are awesome!

**Name:** Taylor Young (Elite)      **Age:** 17      **Year started with Neptune:** 2008

**Favorite Stroke:** Breaststroke      **High School:** Cardinal Newman High School

**Favorite subject in high school:** I've always been a history/english student but since I've taken psychology this year I'd have to say psychology is my favorite. It's interesting to learn how we differ from one another depending on the way we think.

**Memorable moment with Neptune:** I can't pick out just one memory, but I'd have to say that our travel swim meets are really memorable. I had such fun traveling with my team mates and cheering each other on. We created such amazing memories and bonds during our travel meets.

**Advice to the young swimmer:** I would tell them that they have so much potential, much more than they realize. I would also tell them not to let their head get in the way of working hard at practice because how you do at meets reflects the way you train.

**College/university plan to attend:** UC Berkeley

**Plan to swim in college/university:** Yes.

**Career goal:** I'm not sure yet. I'm still trying to figure out what to study in college but I'm interested in psychology and sociology.

Message from Family

*Taylor is always tired!  
Taylor has a tendency to lose things.*

We are so proud of you Taylor! It has been a long (and sometimes exhausting, stressful, painful, draining, tiring, did I mention exhausting) road, but It has been the most rewarding, amazing, overwhelming, exciting, and cherished time of our lives to watch you grow into the person you are today. Thank you for taking us on this journey. We are so excited for your future and can't wait to see where it takes you.

We love you.  
Love  
Mom, Dad and Emily

Once a Neptune,  
Always a Neptune!
