2022-23 AQUATHON FUNDRAISER

The Boise YMCA Swim Team is conducting our annual Aquathon fundraiser. The Boise YMCA Swim Team is a self-sustaining program within the Treasure Valley Y with over 300 members. The purpose of this event is to raise funds to help us maintain a quality program which will give all swimmers the opportunity to attain their goals in swimming, be that at the local, regional, or national level. Each swimmer will attempt to swim 200 twenty-five yard laps or swim 2 hours, whichever comes first. The Aquathon Swim-off will be conducted November 8-11 at the Downtown, West, Caldwell and Tomlinson South Meridian Y's.
