When you join the team, you will need to bring a check with your first months dues (\$60) and annual fee (\$20). Checks should be made out to SRVLA. All subsequent monthly dues will be billed on the first of every month by automatic payment through the team's website. Credit card or bank withdrawal can be used for payment.

Team Dues are \$60 per calendar month. There is an annual fee of \$20 which will be charged on your December bill of the subsequent year. If you join after September, the annual fee will be charged the subsequent year. This charge is for team administrative fees and a team t-shirt.

All billing is done through the SRVLA website. After submitting this form, you will receive two emails to create an account and set up automatic billing in the SRVLA website.

All SRVLA Masters swimmers must be registered with United States Masters Swimming. You can register online at www.usms.org or a SRVLA Masters coach can provide you a registration form for you to mail to USMS. You must provide proof of USMS registration by the second week you swim with the team.

In order to cancel, notice needs to be given by the 20th of the preceding month in which you want to cancel to both the SRVLA Masters Head Coach and the SRVLA treasurer. Should payment not be received by the 10th of the month, there will be a late fee of \$20 added to your next invoice. In addition, you will not be allowed to join the SRVLA Masters Program's practice until your account is cleared.
