

How to Join ASC

We would love for you to swim with us! Before registering for Austin Swim Club, any potential swimmer must complete a Placement Trial. Placement Trials last about 10 minutes and will allow your swimmer to be properly placed in our program.

Available tryout times will be posted on the [Registration Page of the ASC Website](#).

If you would like to schedule a tryout during one of the posted times, please email megan@austinswimclub.org. Walk-ins will be welcome, but scheduled tryouts are preferred.

After your swimmer has been assigned to a training group, you can register on the website at austinswimclub.org. This will walk you through the steps to register and set up automatic payment. After registration is complete and your swimmer has been approved in our system, you will receive a confirmation email with your account and log in information.

- **Swimmers new to USA Swimming** must submit a copy of their birth certificate or passport to show proof of age.
