

Bronze Group

Bronze Group is the 2nd stage in our developmental track. This group prepares swimmers to succeed at the competitive level. Coming into the group, swimmers should have a fairly competent understanding of Freestyle, Backstroke, and Breaststroke. By the end of their time in Bronze, swimmers will have a much greater grasp on all 4 strokes, the concept of Individual Medley, underwaters, aerobic and sprint training, and competition at Swim meets. Swimmers will also be immersed the in the world of swimming through bimonthly “Tuesday Talks”, in which they will engage with topics around swimming that can’t be taught in the pool.
