

Team Travel Meet Policy

Policy Statement

Recognizing that our Sienna Premier Aquatics (SPA) athletes are most vulnerable to misconduct during travel, particularly overnight stays. This includes a high risk of athlete-to-athlete misconduct. During travel, athletes are often away from their families and support networks, and the setting for new changing areas, locker rooms, workout facilities, automobiles and hotel rooms are less structured and less familiar. SPA uses this policy in hopes of reducing this increased risk around overnight travel to a swim meet or other team activity that is planned and supervised by SPA or Gulf Swimming.

Policy Objectives

1. Define code of conduct for all travel event participants.
2. Establish expectations for behavior during team travel events.
3. Define financial policies around team travel events.
4. Define disciplinary measures for any misconduct during team travel events.

SPA Athlete, Coach and Chaperone Code of Conduct

- All athletes, coaches and chaperones will display proper respect and sportsmanship towards all coaches, officials, administrators, teammates, fellow competitors and the public at all times.
- All athletes, coaches and chaperones will refrain from any illegal or inappropriate behavior that would detract from a positive image of the team or be detrimental to its performance objectives.
- The possession or use of alcohol or tobacco products by and athlete is strictly prohibited.
- The possession, use, or sale/distribution of any controlled or illegal substance or any form of weapon is strictly forbidden.
- Absolutely no "deck changes" will be allowed at any time during the trip. All athletes are expected to use available changing facilities.
- All athletes, coaches and chaperones are reminded that when competing in meets, traveling on trips and attending other meet related functions or events, they are representing both themselves and Sienna Premier Aquatics. All athlete, coach and chaperone behavior must positively reflect the high standards of SPA.

General Behavior

- All athletes, coaches and chaperones will respect the rights of their teammates, other athletes and volunteers at the meet and other patrons of the hotel or other public places.
- All athletes, coaches and chaperones will be prompt and on time.
- Athletes will not utilize cellular phones or other electronic devices after lights out curfew.
- All athletes, coaches and chaperones will respect all travel vehicles, hotel rooms and other public facilities that we attend and use appropriate behavior in the public facilities.
- Athletes will follow the dress code established by the coach. This information will be sent out to all attending athletes prior to travel.
- All athletes, coaches and chaperones will stay at the designated team hotel.

Financial Considerations

- No athlete will order any kind of room service or pay per view movies without permission from coach or chaperone.
- All athletes, coaches and chaperones will be responsible for all incidental room charges.
- All athletes, coaches and chaperones will be responsible for any damages they are responsible for at hotel, venue or other public places.
- All athletes, coaches and chaperones will participate in all organized team meals.
- Prior to the meet the traveling coach will review all appropriate financial reimbursement information and policies pertaining to the travel event with the athlete's parent or guardian.

Additional Travel Policies and Rules

 5. The coach attending the travel meet and the SPA board president will require a signed medical consent or authorization to treat form for each athlete.
 6. Team curfews will be established by the coach at the travel meet and will be followed by all athletes. One curfew will be for when each athlete is to be in their rooms and the other will be for when lights are turned off.

 8. The directions and decisions of the coaches and chaperones will be final.
 9. All athletes are expected to remain with the team at all times during the trip. Athletes are not to leave the competition venue, hotel, restaurant or any other place at which the team has gathered without permission of the coach or chaperone. If the athlete is leaving the competition with another family other than his or her own, written consent must be given to the coach before we leave for the travel meet by the athlete's parents.
 10. When visiting public places such as shopping malls, movie theaters, etc. athletes will stay in groups of no less than three persons. 12-unders
