2. All short & long course times performed in USA-sanctioned meets between June 1, 2019, & June 20, 2021, will be used for power points in each age group and gender.
3. Any swimmer who has ever achieved a time faster than or equal to the CURRENT Summer Junior Nationals qualifying time in any event before July 20, 2021, will not be eligible to compete in the 2021 Summer Southern Zone Age Group Championships.
4. Coaches are to be notified of initially selected swimmers. In turn, coaches or team representatives must notify the Zone Team Head Coach or FGC Age Group Chair of intent to compete no more than three (3) days following notification of making the team.

Alternates will be named if:

- The original Zone Team Qualifier turns down his or her spot;
- The original Zone Team Qualifier achieves the 2021 Junior National qualifying time for any one(1) event;
- A selected athlete becomes unavailable for this competition before the final entry deadline.

Applications received will be taken as a declaration for each swimmer that he/she will be available for the trip in proper peak condition for an event of this championship nature. Home club coaches may be asked to substantiate their own swimmer's commitment to be prepared to race. Failure to prepare properly may result in substitution.

Upon notification of selection to the ZONE team, swimmers are required to submit an electronic registration and pay the \$75 registration fee within 5 days to confirm their position on the team.

**Team outfitting** distribution will be announced with the Zone Team selection.

**Zone Team Preparation Meeting** will be announced with the Zone Team Selection.
