MEET ANNOUNCEMENT

The meet announcement is required by USA Swimming and FGC Swimming rules to provide certain information and statements which are outlined below. Using the meet announcement templates available on the FGC Swimming website makes meeting these requirements easy.

- Name and dates of meet
- Sanction number
- Dates and times for all sessions and warm-up periods
- Location
- Eligibility criteria
- Description of entry procedures, limits, fees and deadlines
- Entries must be limited to a maximum of three (3) per day for prelims finals meet and six (6) per day for meets with only timed finals events.
- Session length planning:

USA Swimming four hour rule:

- All sessions containing events for 12&U swimmers, including events that are nominally “open” events but which are internally multi-aged with 12&U age brackets, must be planned so that the last such event concludes within four hours of the session start.
- If such events are contained within multiple sessions in a day, then the last such event of the day must be planned to conclude within four hours of the start of the first session of the day containing such events.
- If 12&U events are included in multiple sessions, but structured in such a way that any individual swimmer cannot enter events in multiple sessions (ie 9-12 in session 1 and 8&U in session 2) then the four hour rule attaches to each session individually, but not to the combination of sessions.
- In the case of a prelims and finals meet that contains 12&U events, both the prelims and finals sessions must be planned so that the last such event concludes within four hours of the session start.

FGC five hour guidance:

- All sessions containing only 13&O events or non-multiage Open events should be planned to conclude within five hours of the session start.

Evidence of four or five hour planning includes:

- Splitting sessions up by 12&U and 13&O rather than combining them into one single session
- Using meet entry caps (ie: accepting only the first xxx athletes, then closing the meet)
- Using meet time caps (ie: accepting entries until timelines reach four hours, then closing the meet)
- Restricting the number of entries accepted into distance events
- Using qualifying times

- Awards (see table outlining FGC guidance for awards below):

Meet Type	Individual Events	Relay Events
Sizzlers and Developmental Meets	Ribbons for 1st - nth place	Ribbons for top three teams
Invitationals	Medals for 1st - 3rd; Ribbon 4th - nth	Ribbons for top three teams
Junior Olympics and Winter Championships	Medals for 1st - nth place	Medals for 1st - 3rd place
