Technical Planning Committee Meeting

Monday, April 28\textsuperscript{th}, 2014 – 8:00 P.M.

Call Meeting to Order:
   Roll Call

Additions to the agenda:

Doug Schuster, Committee Chairman

New Business:
1. Vote on moving Harry Meisel East Meet 2014, to December 13\textsuperscript{th} - 14\textsuperscript{th}, as not to conflict with Gator meet.

2. Vote on dates for 2016 Spring Championships.
   a) Leave the dates and order of the meets the same as its been for the last few years (Senior champs last week in February 25-28, followed 2 weeks later by FLAGS March 10-13)
   \textbf{Pros:} Doesn’t change and keeps birthday rotation the same, allows for outside venues to bid on FLAGS because of the later date, extends short course season for younger swimmers. Does not interfere with Orlando Grand Prix.

   b) Move Flags back in front of Senior Champs and separate by just one week like summer champs, (Flags 1\textsuperscript{st} week in March 5-8, Senior Champs 2\textsuperscript{nd} week in March 12-15)
   \textbf{Pros:} aligns with summer championship meets, wont’ have to worry about age-ups between the meets, thus removing 14 year olds for Senior Champs.

3. Approve all stars teams use of Florida Swimming’s Team Unify account to simplify entries for All stars and Zone Teams

4. Open discussion on single age finals and scoring for FLAGS. Bring forward a proposal to BOD. Choices: a) Leave the same as this year. b) Scarp format and return to AG format of years past. c) Make modifications to current format & scoring?????
