85 % of our 2008 FS Chartered Clubs sent athlete registrations by batch through the Hytek program to the FS office in 2008. During the 2009 athlete registration year, FS chartered clubs should be emailing 2009 athlete registrations to the Florida Swimming office through the Hytek registration batch procedure. This must be followed in the same day's mail with the forms, fees, etc.. If you require assistance, please contact the FS office.
