

FS TOP 10/TOP 16 TABULATOR – 2008

First, let me acknowledge all of our coaches and most of all our athletes. Again this year, our LSC should be very proud of all of our athletes and their fast times accomplished during the year. Thank you to all of the clubs that hosted meets for the 2008 seasons. In order for a meet to be included and to have a more accurate FS Top 10 and USA Swimming Top 16, each Meet Directors must send the Hytek final result, complete meet backup file, to the FS office in an email as soon as the meet is completed. Thank you to all of you that submitted the results in the appropriate format. All of the 2008 seasons, short course and long course, times have been uploaded into the USA Swimming TIMES national data base.
