- **** ADDITIONALLY, IF YOUR SWIMMERS DO NOT HAVE THE QUALIFYING STANDARDS FOR 11 AND OVER EVENTS PLEASE ENTER THEM IN THE 11&OVER AGE GROUP (WITHOUT MEET CUTS) IN THE AFTERNOON SESSION!!******
- Seeding: For events subject to time standards, entries that meet either the listed LCM or SCY time for a given event will be seeded in order of LCM and then SCY. CONVERTED TIMES ARE NOT PERMITTED.
- Swim Ups: For the 13-14 age group only, an athlete may enter a 15&Over event where he/she has achieved the time standard for that event. The athlete may not enter the same event in the 13-14 age group and the 15&Over age group. All points earned will be credited by Event Age for high point purposes (any points earned in a 15&Over event will not count towards an athlete's total points earned in the 13-14 age group). Any athlete wishing to swim up must be entered into the correct 15&Over event prior to the initial Psych Sheet being published (no earlier than 5pm on June 15th), no exceptions. A list of your swim up athletes, including event number, must be provided at the time of entry.
- Scratch Penalty: Prelims: No penalty for scratching on the block in prelims with the exception of deck seeded distance events.

Distance events (400 Free, 400 IM, and 800 Free) will require an athlete to positively check in to compete in that event. If an athlete checks in to positively swim and then does NOT show for that event, the swimmer will be barred from his/her next individual event (by event number) in which he/she is entered on that day or the next day of the meet (and not already started), whichever is first, unless excused by the meet referee because of injury or illness.

Finals: **FRIDAY AND SATURDAY:** Any swimmer who competes in a preliminary heat and qualifies as one of the finalists, as originally seeded, must swim in that event's final; or must notify the clerk of course that he/she intends to scratch from that final's event within 30 minutes of the announcement of the qualifiers. Swimmers may reverse their intention to scratch and choose to be seeded for finals if they do so within 30 minutes of their last preliminary event of the day. Any swimmer seeded in a final who fails to swim that event will be barred from his/her next individual event

(by event number) in which he/she is entered the next day of the meet unless excused by the meet referee because of illness or injury. A swimmer not originally qualified for finals who is seeded into a final due to the scratch of another swimmer will not be penalized for failing to swim in that final. To be clear, the maximum penalty for missing an event or events in one finals session is one event the following day.

SUNDAY: Any swimmer who competes in a preliminary heat and qualifies as one of the finalists, as originally seeded, is required to positively check in with the clerk of course that he/she intends to compete in that final's event within 30 minutes of the announcement of the qualifiers, and in no event later than 30 minutes after the last preliminary event of the day. Any swimmer that does not positively declare their intention to swim will not be seeded. All swimmers within 10 places of the final seeded swimmer in each final's event should positively check in with their availability/intention to swim.

Scratches must be done individually. Team scratches will not be accepted.

Alternates wishing to swim in an open lane in finals must be standing at the starter's stand, ready to step on the blocks for his/her swim, when the swimmers are called to the blocks. Only the starter will call for the alternate, not the announcer. The fastest swimmer from the consolation heat will be moved into championship finals and an alternate into consolation finals.
