### ***Who we are:***

Premier Aquatics Club of Klein, Inc. (PACK) is a non-profit year round USA Swimming registered competitive swim team located in Northwest Houston. We currently serve over 300 swimmers training in 7 pool locations. Those locations are:

- Klein ISD Pools - Klein High School, Klein Cain High School & Klein Collins High School
- Community Pools - Gleannloch Farms, Spring Creek Oaks, Lakewood Forest Residents Club & Spring Creek Forest

Our team consists of swimmers of all ages and abilities who come to us from varying social and economic backgrounds. We support and train swimmers from those just learning to swim to those attempting to make the Olympic team. With your generous support, PACK can continue to grow and serve the surrounding community by offering an affordable program for our youth.

### ***How will my partnership/sponsorship be used?***

Your financial support helps to keep dues affordable for children from all economic backgrounds who wish to participate in competitive swimming, as well as helps provide program enrichment such as technique clinics and provide updated training equipment. In addition, PACK invests a significant portion of our budget in training for our coaching staff to ensure that our swimmers learn the sport in a healthy and fun environment.

### ***What are the benefits of partnership/sponsorship?***

PACK Sponsors will receive several recognition opportunities ranging from meet sponsorship, heat sheet advertising at all highly recognized hosted meets (an audience of over 2500 swimming families all over the Houston area), recognition on PACK's premier website ([www.packswimming.com](http://www.packswimming.com)) and recognition at our elite PACK Annual Awards Banquet. Please see the following page for sponsorship levels.

### ***How do I become a partner/sponsor?***

To become a sponsor, contact Kyle Hendricks, Head Coach, at 832-296-6485 or [headcoach@packswimming.com](mailto:headcoach@packswimming.com).

We thank you for your consideration to our organization. Please do not hesitate to contact me should you have questions.
