COVID-19 SAFETY PROCEDURES:

Thank you for taking the time to become familiar with these procedures prior to the meet to help insure everything goes smoothly!

Swimmers, volunteers, spectators, officials and coaches in the meet agree to abide by PACK's COVID-19 Safety Procedures and Protocols.

This meet will be conducted in compliance with local, state, and USA Swimming COVID-19 restrictions.

The Meet Referee has final authority over conduct of this event and will be working with the Meet Director, Facility Management, and PACK Covid-19 Task Force to enforce Covid-19 safety guidelines and resolve any issues.

Prior to coming to the pool, everyone should self-screen by answering the following questions. If you answer yes to ANY question below, you should not come to the pool.

- *Do I feel sick in any way, dizzy, have a cough, have shortness of breath or difficulty breathing?*
- *Do I have a fever, sore throat, chills, headache, loss of taste or smell or diarrhea?*
- *Have I been in contact with anyone known to have tested positive for COVID-19?*

No person will be allowed to enter with a temperature over 100.4 F in accordance with CDC and local health department recommendations.

We strongly encourage masks to be worn by athletes, coaches, officials and spectators but it is not required.

Only coaches, officials, swimmers, lane timers and volunteers required to be on-deck are allowed on the pool deck.

We will allow adequate time between each event to provide rest for the swimmers by inserting short breaks in the timeline in between events as needed. An estimated timeline will be published for each session and will be posted on the PACK website.

When a swimmer's heat is 4 heats after the heat in the water, the swimmer will move to a Ready Area on the side of the pool on the spectator side. There will be dots on ground, numbered 1-8 and they will stand on their dot that matches their lane #. Please do not gather in that area early, as we do have plenty of time in between heats, so nobody has to rush. The volunteer at that ready station will let them know when it is time to go to next ready area. Then, once the starting block area is clear for their heat, the volunteer in that area will direct the swimmers to approach the block area.

Swimmers must enter and leave the facility in their swimsuits. **Locker rooms and restrooms will be for restroom use only, no changing allowed.** Restrooms in locker rooms are for swimmer use only. Spectator restrooms are available off deck.
