The competition course has been certified in accordance with 104.2.2.C(4). The copy of such certification is on file with USA Swimming. Automatic timing will be provided by Colorado Timing System with HY-Tek interface, and display scoreboard. Manual back up will be used. Continuous warm-up/warm-down will be available.

Rules: Current USA Swimming Rules and Regulations will govern the conduct of the meet unless otherwise noted herein.

Eligibility/Qualifying: The meet is open to USA Swimming registered athletes who are in good standing with Mississippi Swimming, Inc. The athlete's registration identification number must accompany entries for consideration. The athletes must have entered and competed in an MSI sanctioned meet between February 16, 2017 and the entry deadline for the current championship.

Registration: For the 2018 Mississippi Swimming Short Course Championship, a swimmer's registration must have been received and issued by the MS LSC Registration Chair on or before February 1, 2018. A swimmer's age on the first day of the meet will determine his or her age for the entire meet. If a swimmer who is not properly registered with USA Swimming competes in a sanctioned competition, MS Swimming will impose a fine of \$100.00 per event against the individual, member coach or member club submitting the entry.

Racing Starts: Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Relay Eligibility: Only swimmers entered in the meet are allowed to participate in relay events unless declared as a relay only swimmer according to the "Relay Only" entry procedure stated below. Each relay team must have at least two swimmers who have any eligible qualifying time in an individual event for the age group of the relay. For Senior Relays, a swimmer must be 11 years of age or older on the first day of the meet to be entered in a Senior relay and at least two of the relay swimmers must have an eligible 15 and older qualifying time in an individual event.

"Relay Only" swimmers must be entered in the meet by the end of warm-ups on Thursday afternoon. "Relay Only" swimmers must meet all meet entry eligibility requirements. Entries on the recap sheet must show name, age, and a current USA Swimming identification number of all entered swimmers including "relay only" swimmers. "Relay Only" swimmer entry information should be submitted on a separate sheet of paper and provided directly to the Administrative Referee prior to the end of warm-ups on Thursday afternoon if not already submitted with a team's entries. A "Relay Only" swimmer entry form is provided in this invitation.

Fees for Relay Only Swimmers must accompany entry form submitted to the Administrative Referee.

Swimmers with Disabilities: Swimmers with disabilities may enter the meet without regard to time standards. Swimmers with disabilities can score points subject to meet scoring criteria. Please attach disability form with meet entries so time standards can be overridden.

Coaches: Coaches must be current USAS Coach Members in order to perform deck duties and should be prepared to show credentials if requested. If a coach is not currently certified, he/she may observe the meet as any other observer, but may not coach or sit in the coaches' area. Coaches' meeting times are listed in the meet schedule section.

Supervision: A USA swimming member coach must supervise swimmers during warm-ups, competition and warm-down. Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Meet Format: Preliminary/final events and timed final events.

A swimmer who has achieved one (1) or more 'BB' qualifying times for the meet may swim up to two (2) bonus events using a 'B' time or faster within the seven (7) event limit. Events 800m/1000y and longer require an 'A' time standard. Events 800m/1000y and longer may be entered as a bonus event with a 'BB' qualifying time but must swim an 'A' time to score.

A swimmer who qualifies for the 1000y free/800m free may swim the 1650 and vice versa using the time standard for the event entered as the entry time, this is not considered a bonus event.

All 10 and under events will be timed finals to be swum during preliminaries.

All relays will be swum in their order in the preliminary session. A swimmer may swim one (1) relay per session.

Positive check-in is required for the 400 IM, 500 Freestyle, 1000 Freestyle, and 1650 Freestyle events. For these events, swimmers must provide their own timer. Positive check-in will close 30 minutes prior to the end of warm-ups on the day of the event. **These events will have a 10 minute break prior to the start of the event.**

The 1000 Free and 1650 Free will be swum as timed finals events during the prelims, combined ages, fastest to slowest, alternating girls/boys. For 13 and older 400 IM and 500 free, the top 8 seeded swimmers will swim in the finals session. The remaining swimmers entered in that event will swim during prelims, combined ages, fastest to slowest, alternating girls/boys.

For 11 and older swimmers, all individual events other than the 400 IM, 500 free, 1000 Free, and 1650 Free will be circle seeded and swum twice regardless of the number of swimmers entered. The swimmers with the sixteen fastest times in each individual event, (except for the 13 and over 400IM and 500 Free) will qualify for finals session.

Entry Limits: A swimmer may enter a maximum of **seven (7) individual events** for the entire meet, and no more than **three (3) individual** events per day. A swimmer may enter **one (1) relay** per session. For relays, time trials count as a separate session. Time trial individual events count as one of the three (3) individual events allowed on a given day, but do not count as one of the seven (7) individual events in the meet.

Entries: All entries must be received no later than **Noon FEBRUARY 7, 2018. NO LATE ENTRIES WILL BE ACCEPTED.** **Late entries refers to either additional swimmers or additional events.** The only exception to this deadline are any swimmers who qualify at the 8 and Under Developmental Meet (February 11, 2018). These 8 and Under swimmers, who have qualified with 10 and Under state qualifying times, may participate at state meet. They will be added to empty lanes or in a heat by themselves for a timed final event. Affected events will not be reseeded. These 8 and Under swimmer names must be submitted by Sunday, February 12 at 5:00 p.m.

Entries via e-mail of Hy-Tek files are preferred and should be submitted to
ms.lsc.meet.entries@gmail.com.

ENTRIES SHOULD NOT BE SENT TO THE HOST CLUB.

Entries must be complete and **entry recap sheets MUST have bonus events denoted as such.** Email pdfs of your team summary form, release form, and entry recap sheet as described above with your entries. If entry recap sheets do not designate bonus events, you will be contacted and asked to provide it.

Please use the actual time SCY, LCM, or SCM for entry. **Do not convert times or use the LCM or SCM time standard.** Non-conforming times are entered behind (slower than) the SCY time. Proof of Time: A swimmer may swim those events for which they have achieved a valid qualifying time and bonus events as outlined previously. Teams will be provided an exception report of non-proven times. Coaches will have 24 hours to submit a correction to the entry time or proof for the original entry time. If the time is not proven or correction provided, the swimmer's entry will be removed from that event. Acceptable verification of entries are final meet results with the cover sheet or meet summary sheets with team license from the host team if an out-of-state team does not send final results. Times from USA Swimming's SWIMS database are acceptable to prove times. Meet Mobile results are not acceptable to prove times.

Seeding: Seeding will be done according to Article 102.5 of USAS Rules and Regulations.

Scratches: Coaches are encouraged to and should provide the Meet Referee his/her scratches from preliminary events prior to the beginning of the sessions. This is not required and will not result in a penalty. However, modified USA Swimming Championship Scratch Rules and Procedures apply for scratching from finals and deck seeded events. Failure to swim is subject the following rules.

1. Failing to swim in a deck seeded event after a positive check-in will result in the swimmer being barred from his/her next individual event whether a preliminary or final event.
2. Any swimmer failing to properly scratch and failing to compete in the consolation finals or finals will result in the swimmer being barred from his/her next individual event. The "next" event for the athlete being penalized will be reseeded according to 207.11.6D2-4 as time permits.

There will be no penalty for not competing in pre-seeded relays.

Per USA Swimming Rule 207.11.6.D (1), declared false starts are not allowed in the bonus, consolation, or championship final heats of a prelims/finals event.

Reporting: Swimmers in all events will report directly to the starting blocks. It is the responsibility of the swimmer to see that they report to his/her lane at the proper time. The meet will not be delayed to wait for any swimmer.
