Dear Management,

Our swim team, Carolina Aquatics Swim Club, Inc., is a professionally staffed, not-for-profit 501(c)(3), year-round competitive swim program, with over 150 year-round swimmers. In addition, CA also has its own swim school and swim fitness programs for non-competitive swimmers. Swimmers train at both USC's Solomon Blatt Natatorium, the Greer Natatorium at Columbia College, and at Top Spin in Lexington. We operate as a member of USA Swimming, the national governing body for amateur competitive swimming in the United States, the South Carolina Swimming Local Swim Committee (LSC), and we partner with USA Swimming's Make a Splash Foundation, giving access to affordable swim lessons to all.

Our team promotes a healthy body and mind through the competitive sport of swimming. We host several swim meets throughout the year at USC's Solomon Blatt Natatorium. Our competitive meets typically bring in between 400–700 swimmers from South Carolina and neighboring states and run between 2½ to 3½ days.

As a not-for-profit organization, successful operations rely heavily on contributions from sponsors - local businesses especially. When hosting swim meets, we provide a hospitality service to 90-150 visiting coaches, officials, and other volunteer staff. Complimentary meals, snacks, and drinks are provided throughout each session of the weekend to help run a successful swim meet. Keeping so many people fed and hydrated throughout a meet can be a challenge!

Carolina Aquatics asks you to consider a donation of food and beverage in the form of a meal or snack for our Hospitality suite during these upcoming meets. Donations of \$125 and above in food and beverage will be considered a CA sponsorship. A donation will place an acknowledgement of your business in our heat sheets. See the Sponsorship tiers benefits for more information on our website:
