

To: All USA Swimming Member Clubs
From: Pat Hogan – Club Development Managing Director
Subject: National Car Rental and Enterprise Rent-A-Car

In an effort for USA Swimming to maintain a high level of benefits and service to member clubs, USA Swimming is extending its negotiated rental car, SUV and Van pricing with National Car Rental and Enterprise Rent-A-Car to all Member Clubs for USA Swimming sanctioned events, meets, practices, or approved social events. Please see below for more information and attached pricing information.

- Program discount code for Enterprise and National: **XZ12940**
- This negotiated pricing includes full insurance (CDW with \$0/deductible and Liability of \$100,000/300,000/50,000)
- Additional driver fee is WAIVED for all business type rentals.
- Pricing is negotiated for Enterprise Rent-A-Car and National locations on AND off Airport.
- Program extends nationwide and in Canada (pricing in Canada does not include insurance)

Before your first rental with National or Enterprise, please take the time to enroll in the Frequent Renter program below – Emerald Club. This will ensure you receive the appropriate rates, services and benefits every time you rent. This is not mandatory to receive negotiated pricing.

As an Emerald Club member, you will receive the following benefits, among others with NATIONAL:

- Bypass the counter and choose your own car - Bypass the rental counter and go directly to the Emerald Club Aisle® at 64 major airports in the U.S. and Canada. If you are renting a larger vehicle (minivan, SUV) you will choose from our “reserve” selection area.
- Choose your rewards - Earn rental credits towards a Free Rental Day with every seven rental credits earned. Or choose to automatically receive frequent flyer miles for each day rented.
- Enterprise – Emerald Club member numbers are accepted at all Enterprise Rent-A-Car locations nationwide. You can earn free rental credits when you rent with Enterprise – unfortunately at this point frequent flyer miles are not able to be earned at Enterprise locations.
