

Membership Report

- 1) Please use your team manager (or third party vendor) to do both your USA registration and your meet entries. I will be making a proposal in the Fall 2007 that the LSC impose another \$5.00 per athlete registration for any registrations from a registered large team that requires hand entry into SWIMS (non third party vendor). Hopefully this will encourage teams to use Hy-teck for both registration and for meet entries.**
- 2) Sending your registration doesn't mean your athletes are registered, I only download the file when I receive the CHECK.**
- 3) Host meet directors, good job getting me the registration file (SD3); please make sure you get the file to me the weekend before the meet and the file to me at the END of the meet. Hint—make your entry deadline for the meet at least 10 days before the meet.**
 - a. Remember you need to send me the list of teams attending your meet so I can send you a list of registered coaches allowed on deck.**
- 4) Please do not send registrations via fax.**
- 5) Please do not send registered mail that has to be signed for delivery.**
- 6) Please make sure you use my new address-327 East Longleaf Dr. Auburn, Al 36832**
- 7) If you or one of your coaches has a change in address - E- mail or street please let me know.**

Registration comparison of LSC's

Athlete – Southeastern Swimming - \$50, three LSC charge less and five LSC charge what we charge and 51 LSC charge more – Highest - \$68

Non-Athlete – Southeastern Swimming \$43, four LSC charge the same and 55 LSC charge more – highest \$63

Club membership we are right in the middle, Lowest being \$100 and the highest \$350 per club.

BACKGROUND SCREENING UPDATE

Coaches by now should have completed their background screen. You should either have a new card from the SES Registrar showing you have successfully completed the process. If and when you hire a new coach they will need to go online at <http://www.usaswimming.org/bgscreeninfo> to begin their Background screening.

SES Registration Numbers

	Todate 3/28	2005 - 06 YEAR	2004 - 2005 YEAR
