## AGR7 - Mythical District Championship Results & Scores

NOTE: This is simply for coaches to view and compare results from the four District sites. It should be noted that there are some clear competitive advantages/disadvantages depending on which location was utilized (i.e. blocks at both ends for relays, etc...) Scores were compiled using the current scoring of 8&Unders at District Meets: 9-7-6-5-4-3-2-1 for individual events; double points for relays; multiple relays can score. Places 9-16 are included in the results but do not score.
